Dear Romela,
You are so sweet: I've loved having ya sit in front of me in Bio! You've made the class more fun - I just can't believe I actually made it through the year in one of Ms. Lee's class. Of course, for you it was super easy, right! You're so smart - I know you'll do great in all your years here!
Have a great summer.

Another year has come and gone, and it will be a year you will never forget. All the experiences you will have will be once in a lifetime opportunities. For the Seniors, this is their last year of high school before they are faced with the real world. For the Juniors, it is the in-between-stage where they face more responsibility - like getting a job and getting their license. For the Sophomores, it is the time where they think they know it all, but they realize they've got to do some growing up. For the Freshmen, they have just started a new beginning and they are no longer little kids.

Time is life's most precious gift. Love is life's best feeling. Friendship is life's most valuable possession. Without time all is lost. Without love who cares. Without friendship nothing matters. Time, love, and friendship are the elements of life. Take time to live, take time to love, and take time to share in friendship, because this is only once in a lifetime.

THE LIFE AND TIMES OF A PRINCIPAL

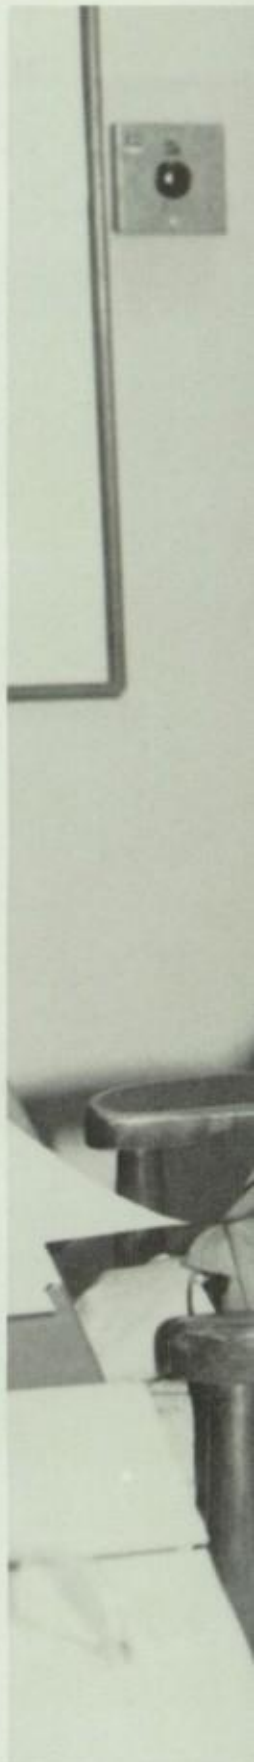

The search for a new principal was a long, extensive, and complicated process. It had to be. These are challenging and exciting times for Moreau, and we wanted to ensure that we chose a person who would fulfill the expectations of the entire Moreau Community - a person who would complement the philosophy and mission of Moreau High School.

Mrs. Geister comes to Moreau with fifteen years of experience in education. The majority of her work has been in Catholic secondary education, but she also has experience in public secondary schools in the United States and in England. Most recently, she had served since 1980 as Assistant Principal: Academics for Bishop O'Dowd. Her experience is varied and wide-range, as a representative on the local, diocesan, state, and national levels.

In an interview, Mrs. Geister had this to say, "I was thrilled and proud to get the job, and my feelings have not changed - I mean this most sincerely. I know that my expertise and my style are very timely for Moreau because I am very future-oriented and yet I have a good, solid base of previous experience in various areas to stand me in good stead when I need to make decisions."

I am very impressed with our students, our parents, and the commitment of our auxiliary organizations. I am also tremendously impressed with the quality of the faculty, in their teaching of our students and in teaching me more about what Moreau is. We are blessed with extremely competent in every area of the school.

1. Mr. Schweikert-Stary looks to Mrs. Geister for advice.
2. Our principal, Mrs. Patricia Geister.
3. Posing with the Principal's Advisory Board after a long and crucial meeting.
4. Mrs. Geister shares a few laughs with two students, Darlene Teixeira and Carrie Berlogar.

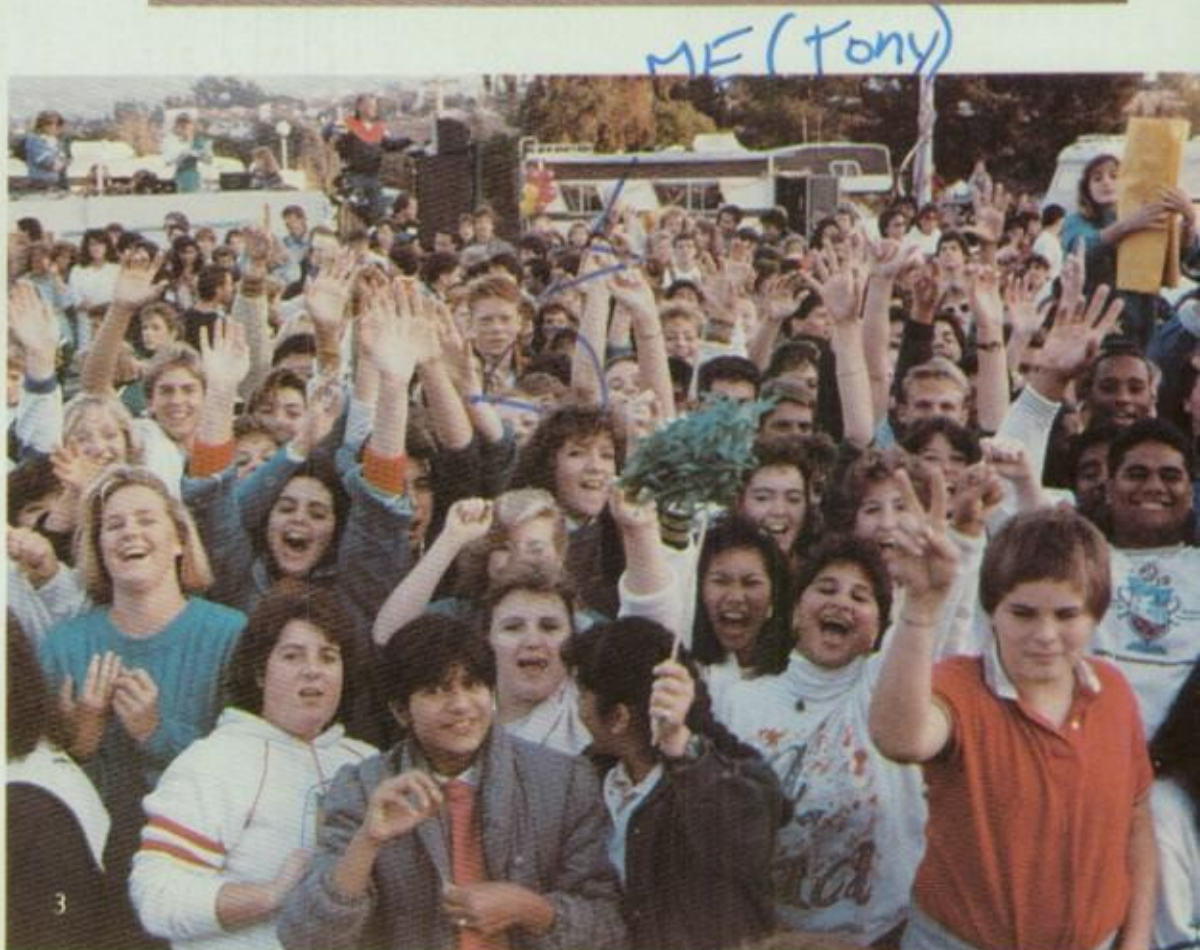

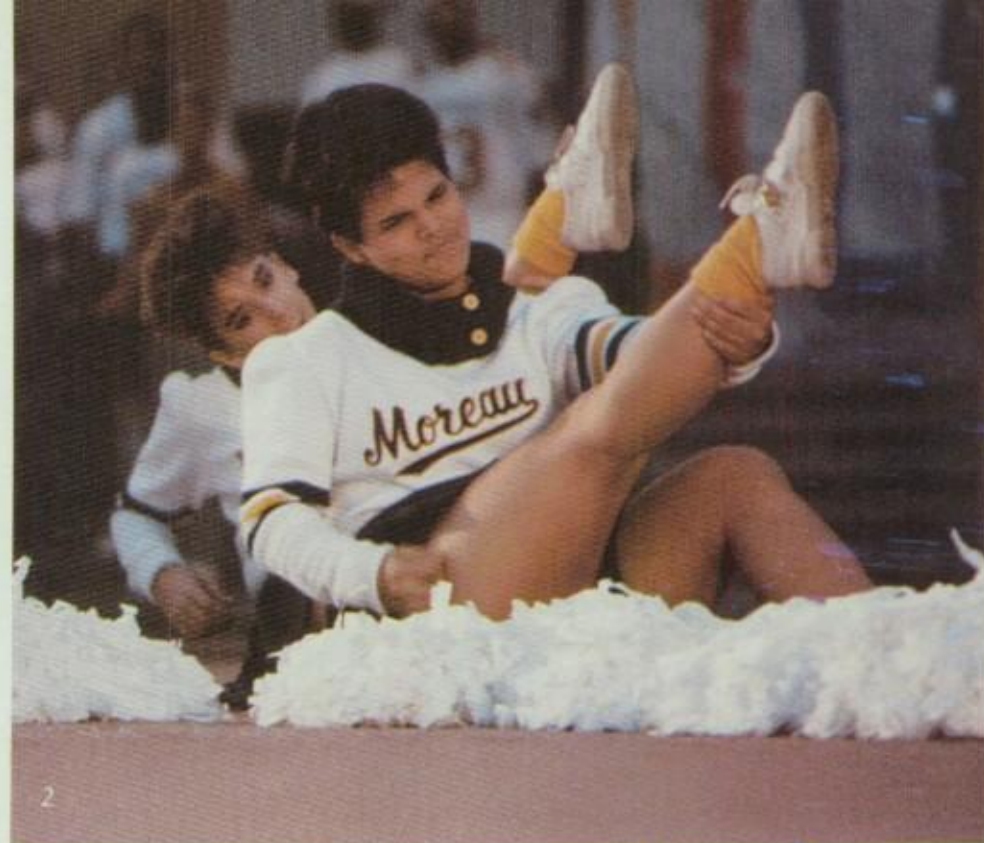

"I am very happy and proud to be part of this school's future. My ultimate challenge is to respond successfully to the needs of the students, their families, and the Moreau faculty and staff."

After many weeks of hard work and preparation the rally squads were ready for Omega. The girls were nervous and excited all at the same time, but the squads were supported by the entire Moreau Community. A group of male athletes, called "The Tailgaters", performed to help liven up the crowd and relax the cheerleaders and song girls. The girls gave one of the best performances they've ever given. The tension mounted as we waited for results. To our surprise we placed second in song, third in cheer, and third in spirit. What a disappointment. We were the only school to place in all categories. The squads had tremendous support from the fans and they have a lot to be proud of. We may not have taken home the biggest trophy but the Moreau Community knows who the real winners are.

MOREAU SPIRIT

Breaking New Ground

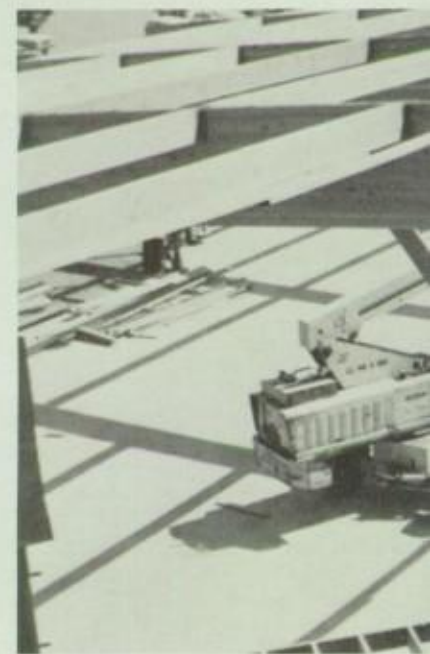

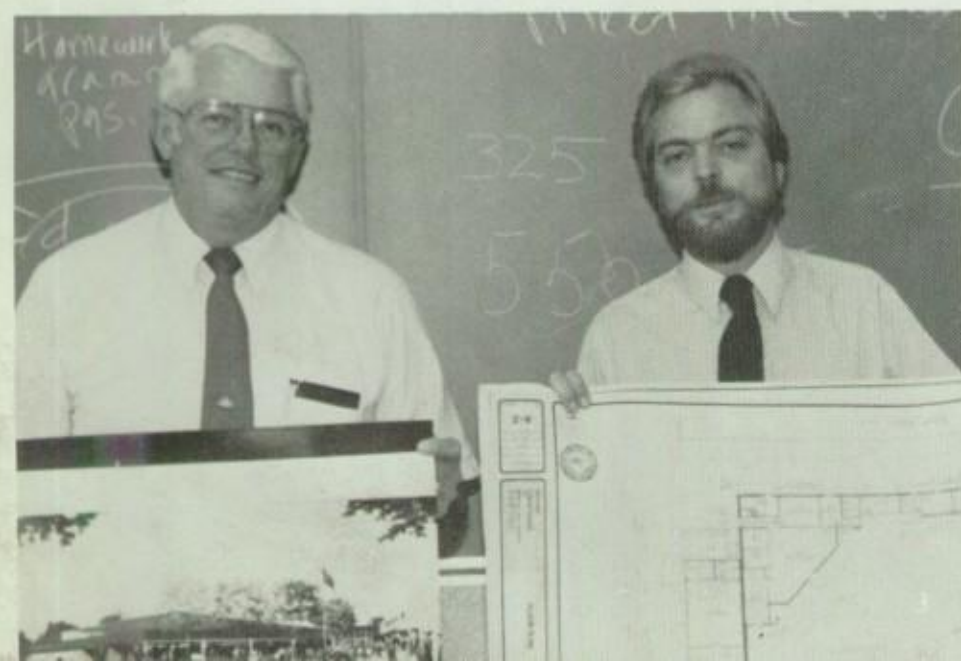

The Frank Ivaldi Student Center, which will become our new cafeteria, will cost an estimated maximum of 1.2 million dollars. Ground breaking ceremonies were held in June of 1986, and the job was completed at the end of March of 1987.

From where do 1.2 million dollars come? It comes from a Capital Endowment Campaign which is a five year plan to raise 3.2 million dollars, 1.2 million for the Student Center and 2 million for the Endowment fund. Because of this campaign, tuition will not be increased to pay for the construction of the building. Mr. Duane Ingram, Director of Public Relations, and Mr. Jim Bowen, Director of Development, do, however, estimate that the Student Center should only cost 990 thousand dollars instead of the round figure estimate of 1.2 million. Donations to the Capital Endowment Campaign are made under four categories: The President's Council, Advanced Gifts, Present Parents, and Alumni and their Parents. Each one of these sections has a set percentage of the total cost needed to be raised. Alumni and Parents have already surpassed their goal percentage. All categories, however, are continuing to strive to reach their set percentage.

In case you're wondering, the old cafeteria will soon become three new classrooms. The drama and fine arts departments will be taking full advantage of all the soon-to-be empty space. The new Student Center has nearly twice the capacity of the old one, 615 people are now able to enjoy eating lunch indoors, compared to the old figure of 325.

The shaped canvas of Mr. Glenn Watson's painting is an architectural reference symbolizing a school house and a church. It is made up of three panels. The left panel incorporates symbols identifying Moreau High School: Fr. Basil Moreau; the ship; the Mariner's wheel; an anchor; and a ship's light which refers to the school motto "In Tenebris Lux" (light in the midst of darkness). The center panel is the cross of hope representing the congregation of Holy Cross. The right panel is a collage of our school building symbolizing what Moreau is. The sixty stars symbolize our national recognition as one of the top sixty exemplary private schools in the nation.

All of Moreau will benefit from this project now as well as in the future through Alumni activities.

8. A view from above of what the area of the Student Center looked like before.
9. Moreau's construction crew gets under way.

The construction of the Student Center has been a daily reminder of Moreau's continuing growth. However, there have been many other important changes going on.

The addition of the Student Center has resulted in the loss of student parking. Approximately 50 spaces were sacrificed this year during construction. Also sacrificed was the Senior's traditional privilege for first-choice parking.

Moreau athletic teams were incorporated into the Mission Valley Athletic League due to the breakup of the Catholic Athletic League. As Senior football player Bobby Robello put it, "As part of the MVAL, we received absolutely no respect from players, coaches, or opposing fans. Being the new kid on the block, it seemed as if everyone set out to prove that Moreau was less than welcome in 'their league.' Cheap shots and foul mouths were more frequent than in the CAL."

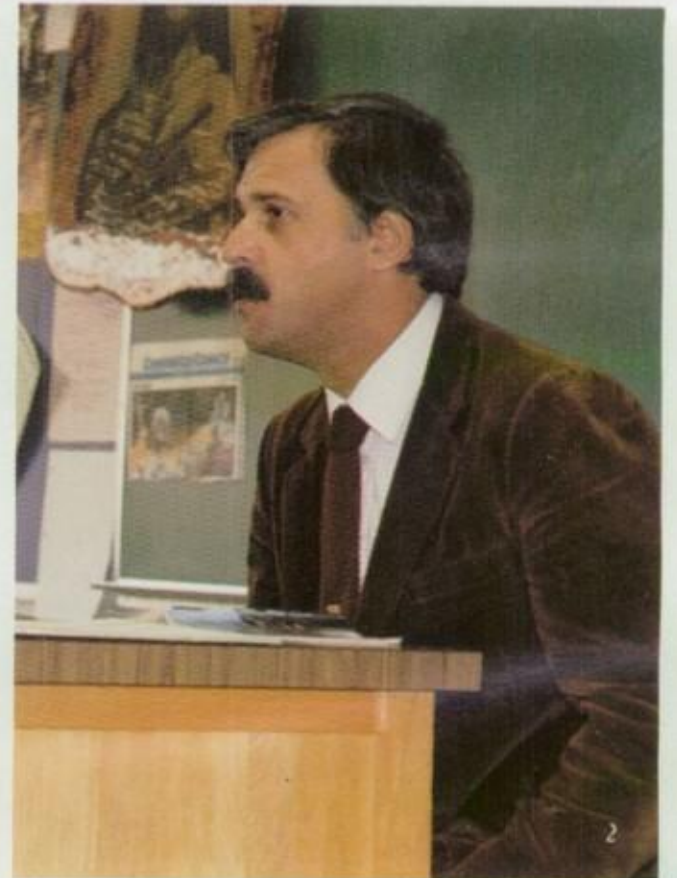

The Moreau Community has also had many other exciting changes. Petar Zegura and Larry Long have teamed up to teach "Freedom and Alienation in the Modern World," a popular new class centered around an English and religious curriculum. We are also fortunate to have nine new teachers. Spirit Week 1987 became the first "No-winner" result in Moreau's history. Finally, we cannot forget to mention our new principle, Mrs. Patricia Geister.

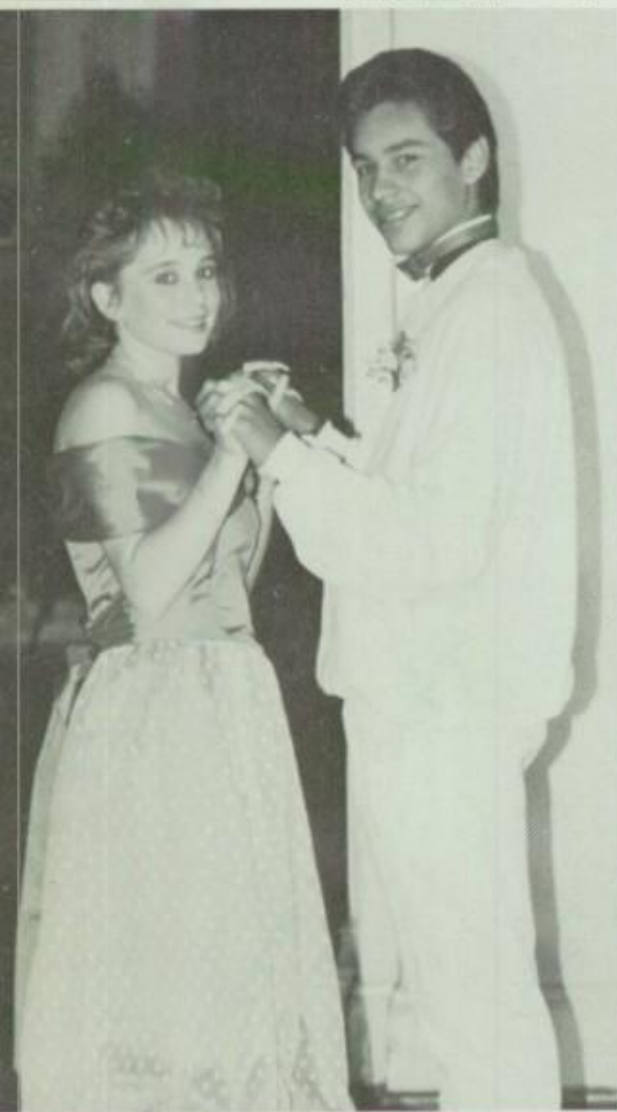

1. Mariners are the new kids on the block. 2. Brock O'Harran and Dan Slone look on as Tim Slone devours another running back. 3. The Moreau football team is excited, as they enter to play in the MVAL. 4. The results of Spirit Week are very self explanatory.

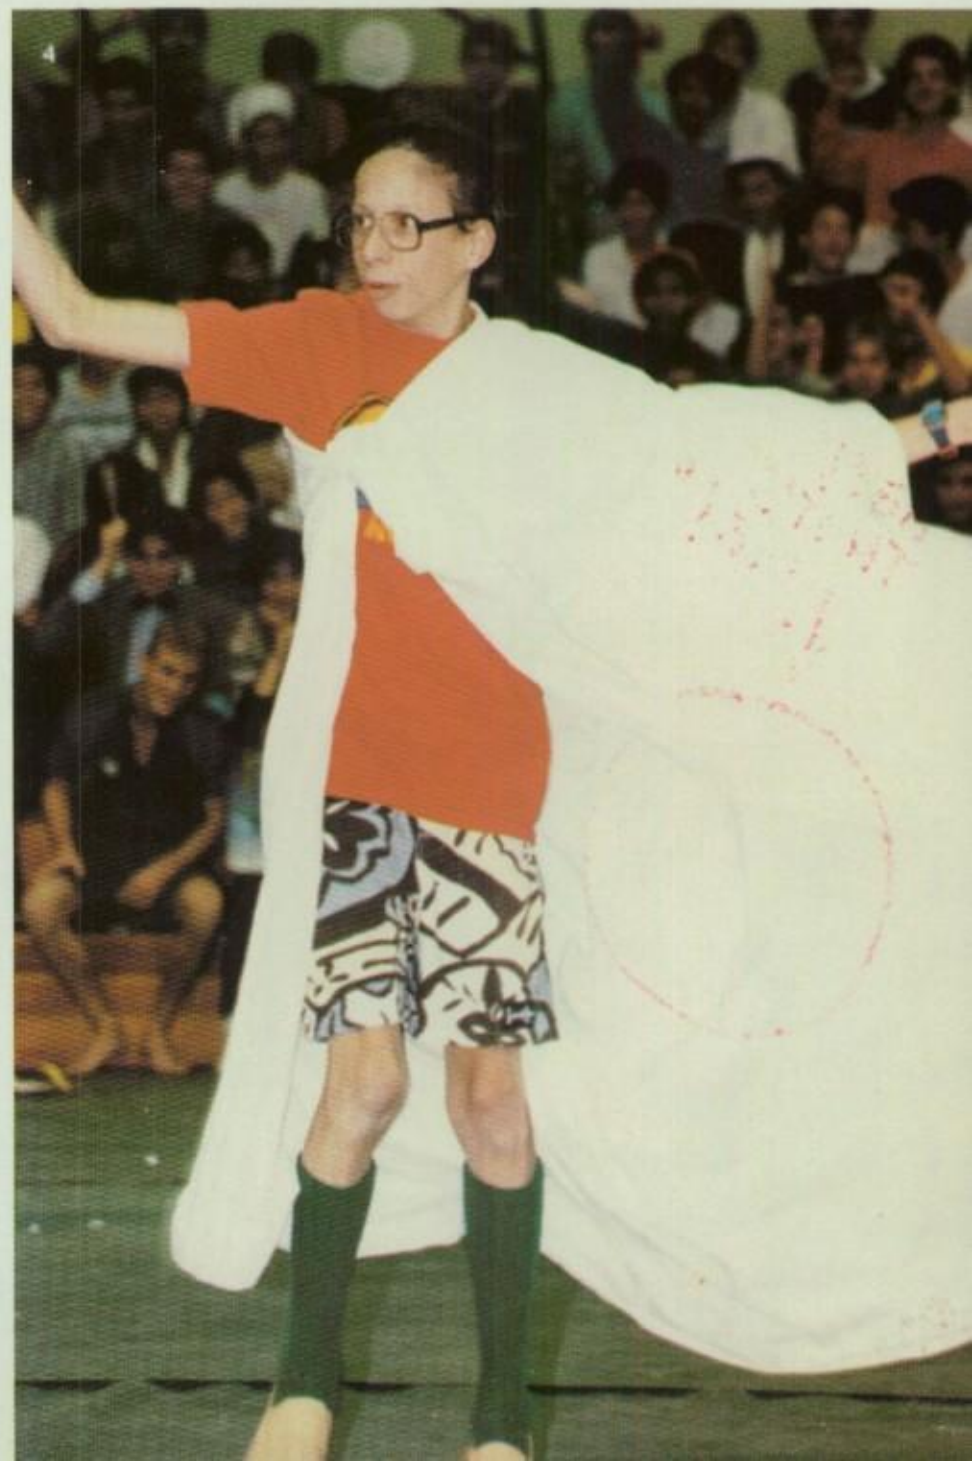

HEY!...WHAT'S NEW?

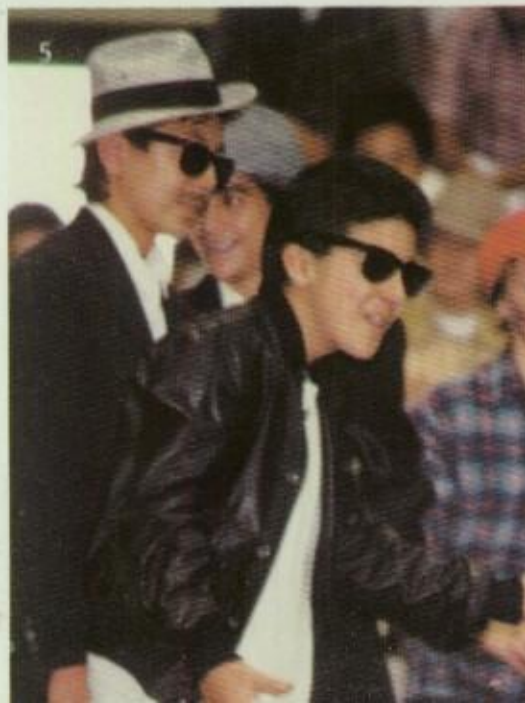

1. Freedom and Alienation - it's new and the enthusiasm is overwhelming!
2. Mr. Zegura lectures his class.
3. The lower parking lot looks so small due to construction.
4. Mr. Alcott is busy taking notes while waiting for "Sylvester" to finish copying his lessons.
5. The new student center takes solid form just five months before completion.

SPIRIT WEEK 1986

Wardes

Despite the unity, spirit, and fun experienced by all classes, the outcome of "Spirit Week 1986" was not what we expected or anticipated.

The themes were all unique this year. "Senior Celebration" was the class of 1987's choice. Their hall had 13 sections ranging from weddings to luaus and it included the highlight of the senior year . . . Graduation at the Paramount Theater. The senior skit was "The Brady Bunch goes to Hawaii." It was a continuation of the ongoing saga. "Junior Fantasy" was the theme for the class of 1988. The hall was decorated in a book-like atmosphere from "Dungeons and Dragons" to "20,000 Leagues Under the Sea." Their skit was "Fantasy Island." "Sophomore San Fransico" was the class of 1989's choice. They decorated their hall with all of the special landmarks of the city. Their skit was "Grandpa Slone and the Big Game." "Freshmen Hollywood Classics" was the class of 1990's theme. Their hall was decorated with various cartoon personalities. Their skit was "The Freshmen Go to Hollywood."

All of the classes put a lot of effort into "Spirit Week" and each class was hoping to win! The time finally arrived. The tension mounted as the results were to be announced. "No Winners" were proclaimed in the year's "Spirit Week" because of the classes' direct violations of the prestated rules.

4. Injured Quarterback Scott Jacques is escorted off the field.

The 1986 Homecoming Game was perhaps the finest of the year for the Mariners. Behind the stifling play of the #6 ranked defense in the South Counties, the Mariners jumped out to a 7-0 lead over the Mission San Jose Warriors.

Misfortune struck before halftime as heavily pressured Quarterback Scott Jacques threw a desperation pass from his own end zone into the arms of a Mission San Jose linebacker who waltzed for the score untouched.

The bouyant Mariners however fought back to regain the 7 point lead with a beautifully thrown pass from Scott Jacques to Paul Zendejas covering 45 yards.

Following halftime the fired-up Mariners came out to play a hard hitting 3rd quarter as Mission tied the score 14-14.

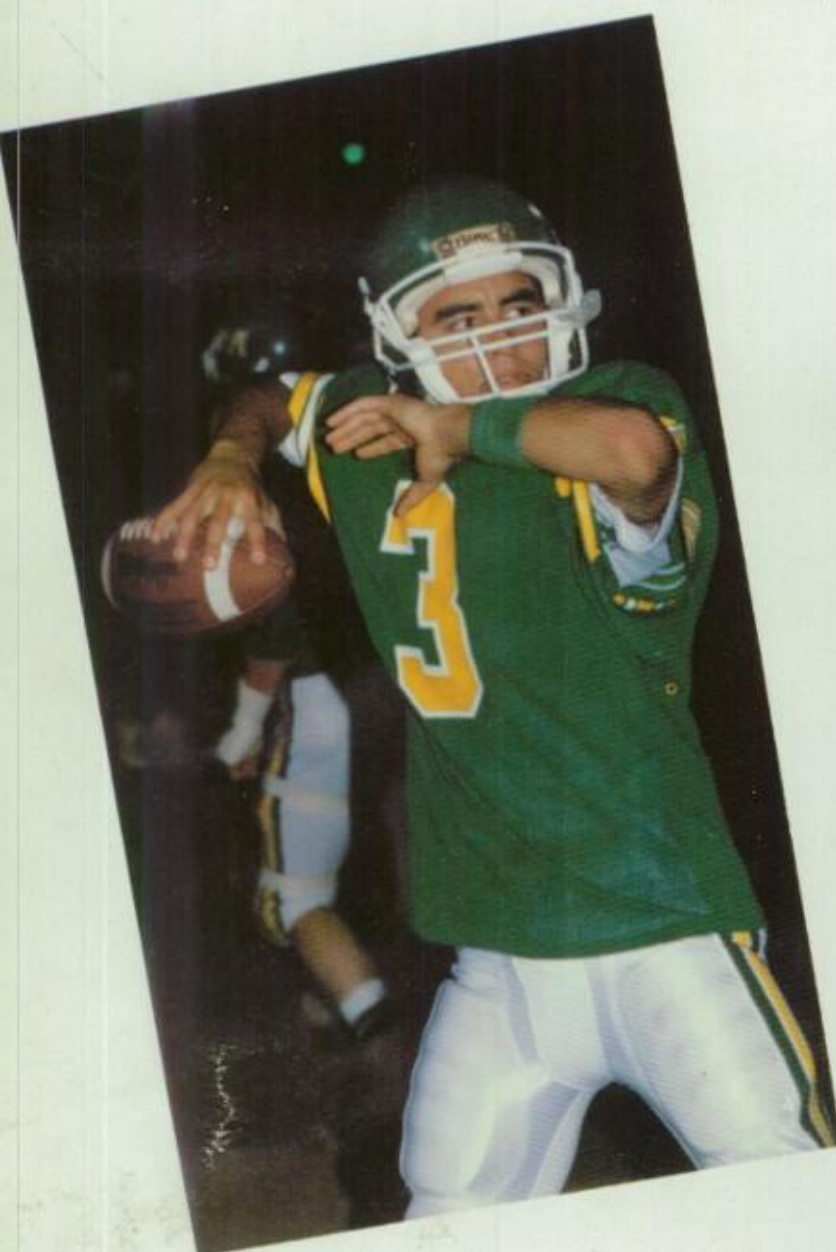

The 4th quarter proved to be the most emotional of the year as 2 Mariner turnovers led to scores by the Warriors as they pulled out the victory in the final 3 minutes.

The Warriors scored first after a fumble deep in Mariner territory led to a field of 30 yards, and eventually proved to be the game winner.

On the ensuing kick-off Paul Zendejas turned in a dazzling return to the Mission 45 yard line. Two plays later on a first down from 25 yard line, Quarterback Scott Jacques on the run threw an interception into the arms of Mission's Mike Triantos who returned the interception for a heart breaking touchdown, which insured the Warriors of a hard fought 24-14 victory.

2. Senior princess Amy Wixson and escort Matt Fratus beaming with smiles.
3. Visions of royalty: King Eric Vizcaino cheek to cheek with homecoming queen Lynette Duran.

1986

Homecoming 1986 was an experience all of us will never forget. The excitement and anticipation that Spirit Week generates is unequalled by any other school function. The decorating of the halls, the dress up days, and the spirit competitions are all things that are invaluable to all. Unfortunately, however, it may be Moreau's final "Spirit Week", because the administration is considering a change that would shorten the week.

The Freshmen class '90 elected cheerleader Ann Granados as class princess and chose Vice-President, Albert Vita, as her escort.

The sophomores chose J.V. cheerleader, Melissa Granados to represent her class as their princess. Melissa and Ann Granados are the first sisters ever to be named princesses in the same year. Joey Schwenger, a sophomore representative and quarterback on the J.V. Football Team, was elected as Melissa's escort for the second year in a row.

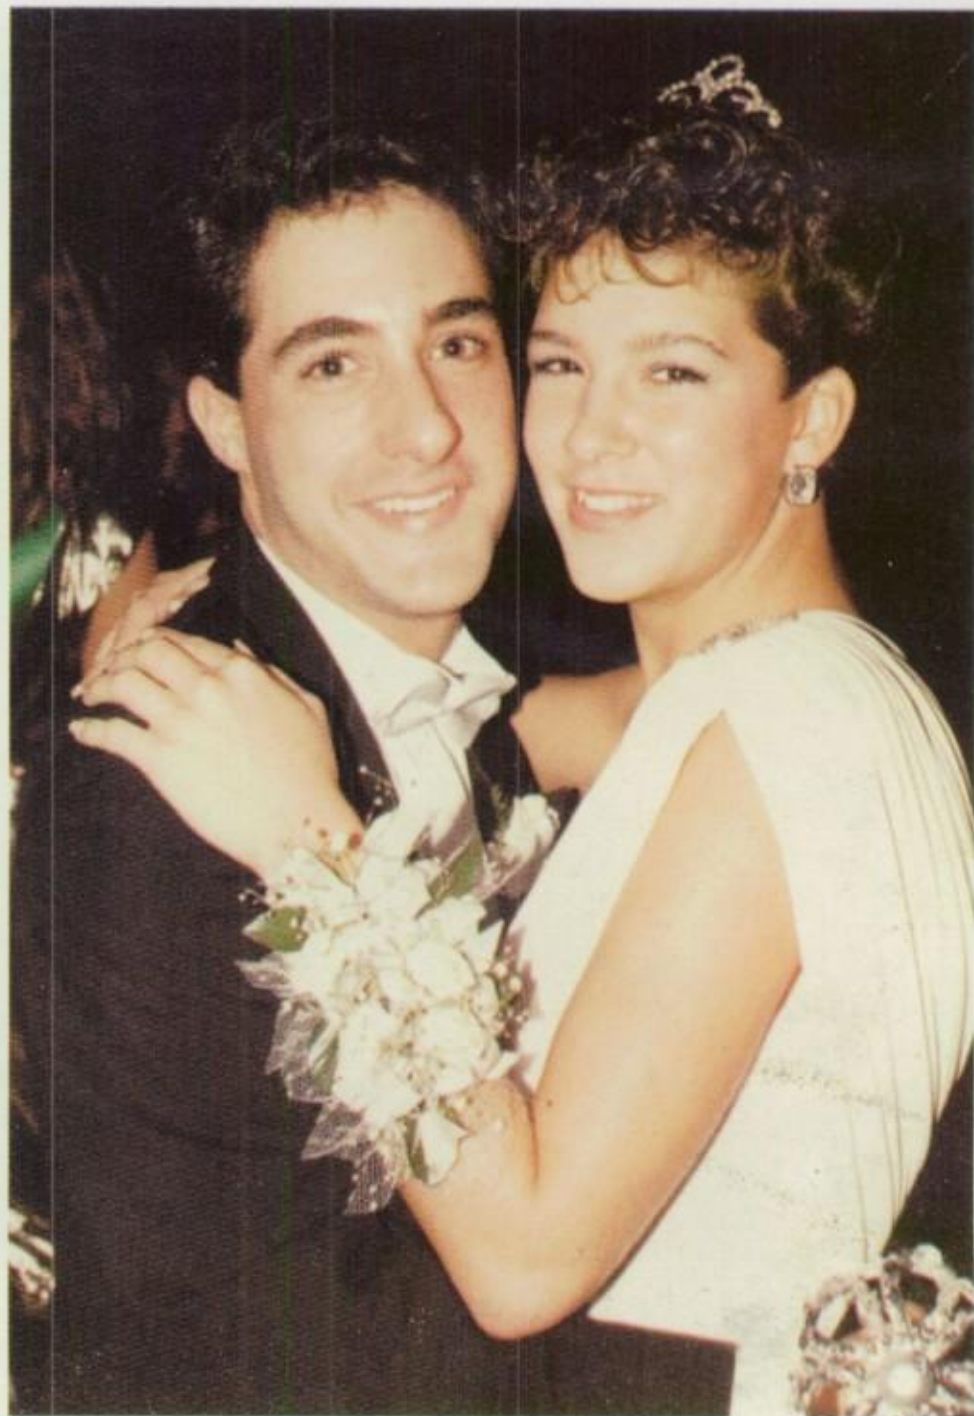

Bernadette Quintilla, a junior class representative, and Joel Espinoza, junior class Vice President, were chosen to be princess and escort.

Senior class president, Lisa Assum, was honored as one of the senior princesses. Lisa was a freshman and J.V. cheerleader, and played on the varsity tennis team for two years. ASB/Activities Commissioner Tim Avila escorted Lisa. Tim has been involved in student government all four years, played on Varsity Tennis, and ran cross country for two years.

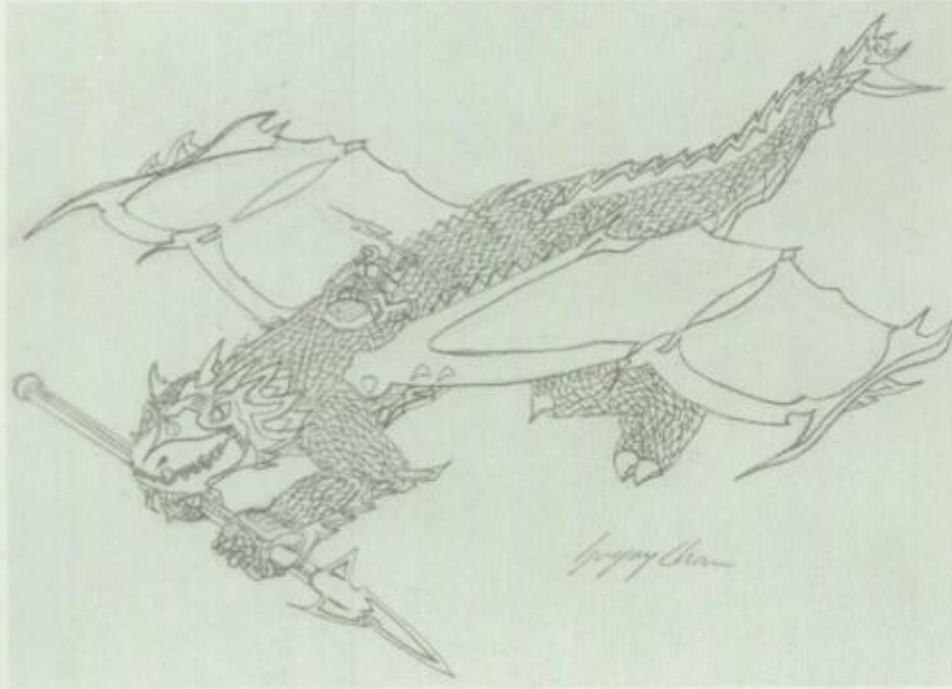

Amy Wixson, our ASB/President, was chosen as our other Senior Princess. Amy has also been involved with student government all four years and was a Song Girl her junior year. Matt Fratus, our Senior Vice-President, escorted Amy. Matt has been involved with student government for three years here at Moreau.

Finally, Representing all of Moreau, the 1986 Homecoming Queen was Lynette Duran. Lynette was a Freshman and J.V. Cheerleader and was a Song Girl for two years. She is also involved with Campus Ministry and is an active member in the Key Club.

Eric Vizcaino, ASB/Vice-President was elected as the 1986 Homecoming King. Eric was a Freshman and Sophomore representative, and the ASB/Historian his Junior year.

Autumn Leaves

Autumn leaves sway and blow
Soon to leave the summers gone
Hope is lost, or so it seems
So far away the past
If death is real than so is life
Come to me springtime, I await your gentle whisper.

Chris Vasquez, '87

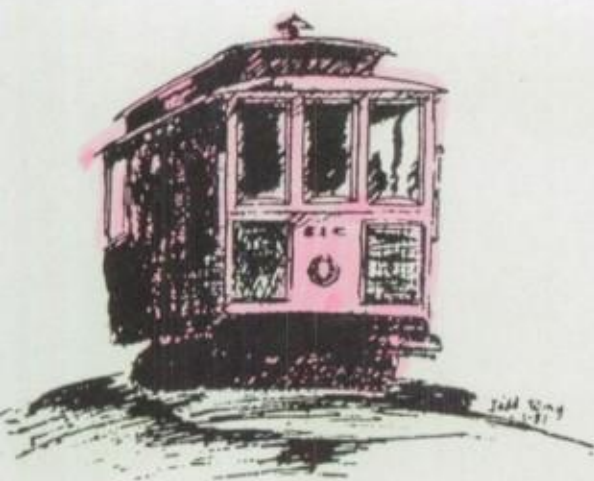

Look around, take it in;
don't miss a thing
Experience, achieve, desire as much as you can!
Don't hesitate or procrastinate
or it will be too late,
and never regret
every new experience
or any old experience
for you'll never be able to do it again
savor it all, a new place a new friend
a new experience in it all.

Why don't I want to leave you, school
When I first came here I cursed you
But with my friends I learned to like you
Now I leave your shelter
Leave from your motherly arms
It's time for a new direction
It's time for young innocence to die
Maturity is my future
But my future shall never overshadow
The glorious past.

The cruel sword of betrayal
So rudely penetrates my skin
Crushing my thoughts and speech
Bringing me unending confusion
Its sharpness has reason
Remembered vaguely from the past
This cloud of destruction
Some day will disperse
As it has in the past
Or so I think -
If this is something new
Must I live in darkness
Or must I too
Draw my sword upon you?
For you seem to have forgotten its
presence.

Having Fun In Chem 33

Oh no - what's this I see?
Little Polyatomic Ions ganging up on me.

What's tonight's homework? I'm afraid to look
I sure hope the answers are in the back of the
book.

Being in this class proves I'm not stable
Found that out on the periodic table

Just when I think I'm the Chemistry Ace
She has the nerve to tell me I'm mostly empty
space

A mole was a gopher till I got in here
This Avocado dude must really be queer

"Oh no, now I've done it," and Ms. Larson
is screaming
"Whad'ya mean Ms. Larson, isn't it supposed
to be steaming?"

All night long I stayed up and prayed
That somehow Ms. Larson would soon lose my
grade

You mean I have to make the equations
equal?
Oh great, now my homework's gonna have a
sequel.

One day soon I'll be free
Hope they name an element after me

Bye Ms. Larson it's really been fun.
So much for Chemistry it's over and done

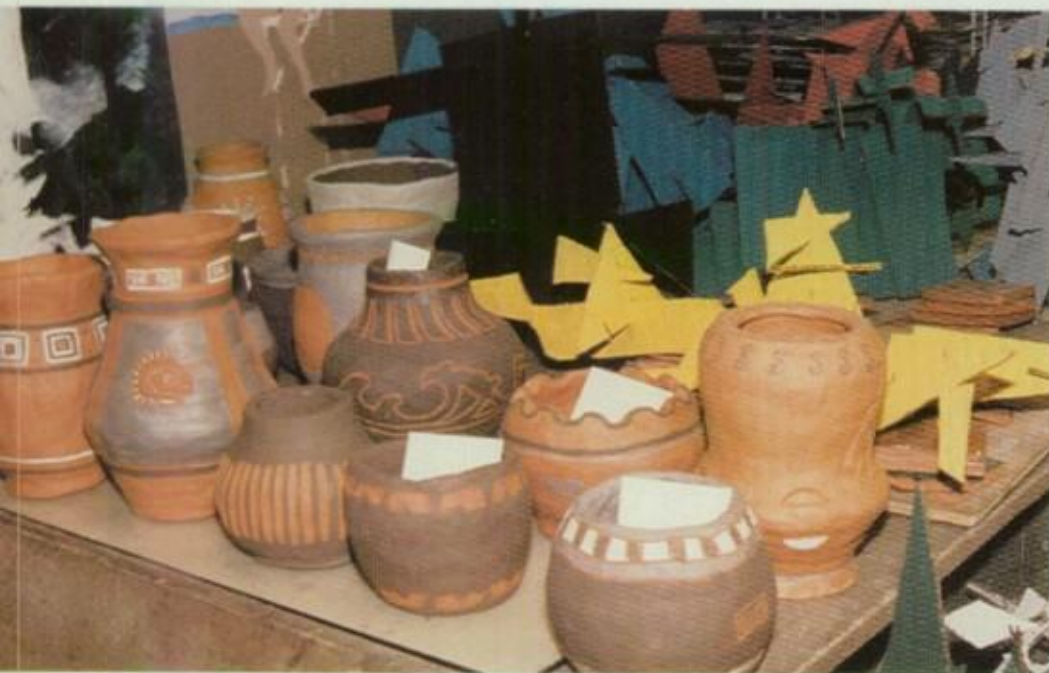

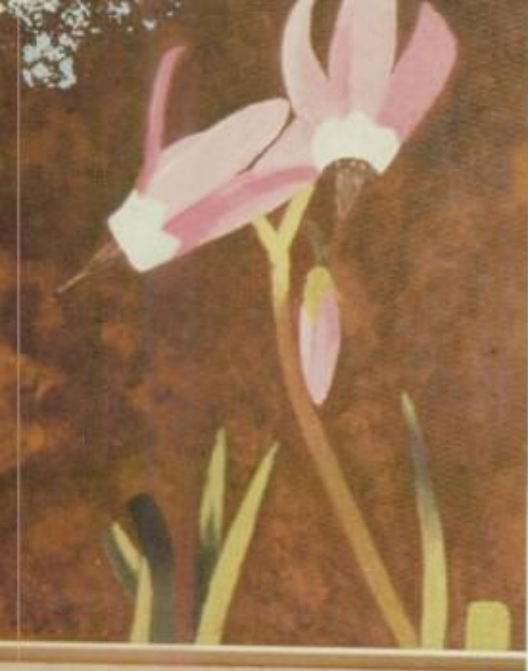

I never did hear those last words she said
Something about Physics, now I'm really dead.

This year Moreau proudly presented it's Fall Drama, *Don't Drink the Water*. The play, a comedy written by Woody Allen, is about an American family, the Hollanders, on vacation in a communist country who find themselves being chased by the communist police. They take asylum in an American Embassy where they meet a psychotic chef, a priest who performs magic, the unstable, fumbling son of the Ambassador who is left in charge of the embassy and his assistant, a sarcastic pest. The action is fast-paced and focused around an attraction between the ambassador's son Axel and the Hollander's daughter, Susan.

Involved in both Drama Club and Fall Drama is Mark Farrell

1. The Band, doing their thing during halftime.
2. The moderator of the Marching Band, Ted Newton.
3. The Colorguard shows their spirit during a rally.
4. Tim Crooks, the drum major of the Mariner Marching Band.
5. Freshmen members performing during a halftime show.

THE BAND PLAYS IN HARMONY

With the change to a new director and the late start in the season, the Mariner Marching Band has managed to stay on top. The size of the band hasn't stopped them from winning awards in many of their competitions. The band's season consisted of "Birdland", "Return of Queen Sheeba", "Somba De Gary", and "Seven Steps to Heaven". The band is led by director Ted Newton, Drum Major Tim Crooks, and Colorguard captains Nicole Carrigan and Patty Barron. The Band was enthusiastic about their successful season and look forward to ending the school year with their Spring Tour to Anaheim.

SYMPHONIC BAND

BRASS AND WINDS

After having "tired-soles" from exhausting practices and competitions from marching band season, the band switches to symphonic band season with a more relaxed practice atmosphere. The band attends a few concert band festivals and some CMEA (California Music Education Association) festivals. Their performances at school include the Christmas concert, a Spring concert, and the annual Champagne concert with Bishop O'Dowd. This year the band has invited St. Mary's to join in the Champagne concert. This concert is a chance for competing schools to get together without competition and rivalry.

JAZZ BAND

ALL THAT JAZZ

Following the Marching Band season, the Jazz Band sprang into action. They can be found practicing from 7:35-8:05 before school every morning. This year Jazz Band is planning to attend many competitions such as CMEA (California Music Education Association) festivals. They are also planning to attend festivals in Los Angeles.

2. Kristine Kuwata "jammin'" on the keyboards.
3. Hilary Kline, Michele Woodall, and Tim Crooks taking time out from an exhausting practice.
4. Ted Newton directing the Jazz Band.

INTRAMURALS

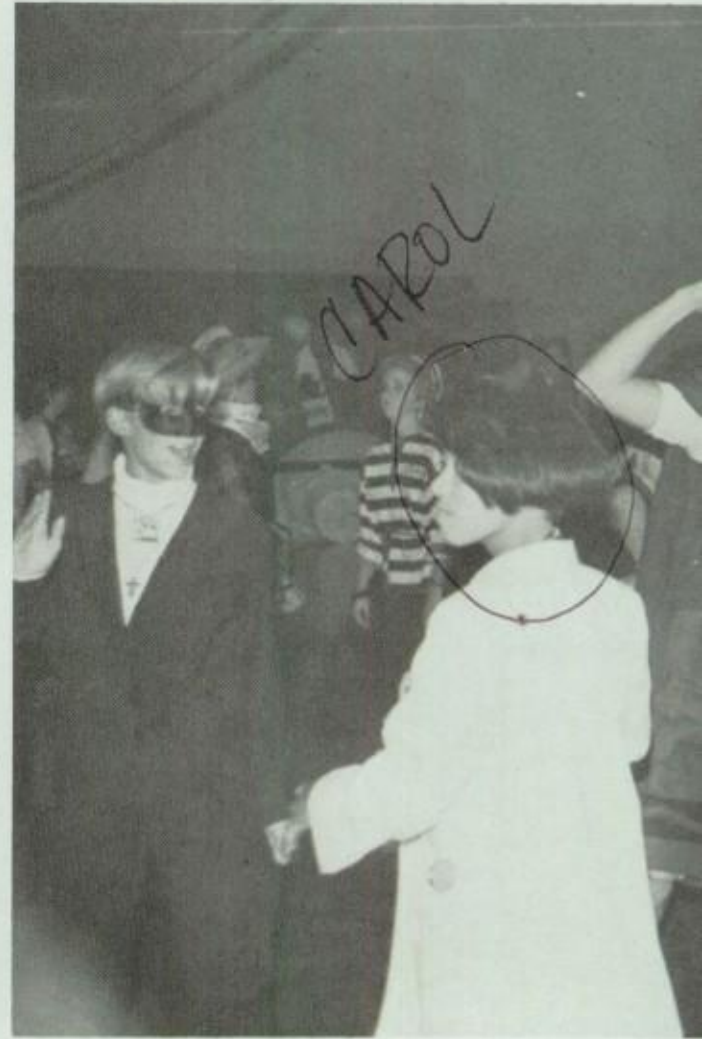

Intramurals are activities that involve basketball, badminton, and volleyball. Students who participate in the lunchtime games usually are not involved in the normal teams. The lunchtime activities don't involve as much pressure as the regular team sport. Some of the players think of playing at lunch as casual, team uniforms aren't necessary.

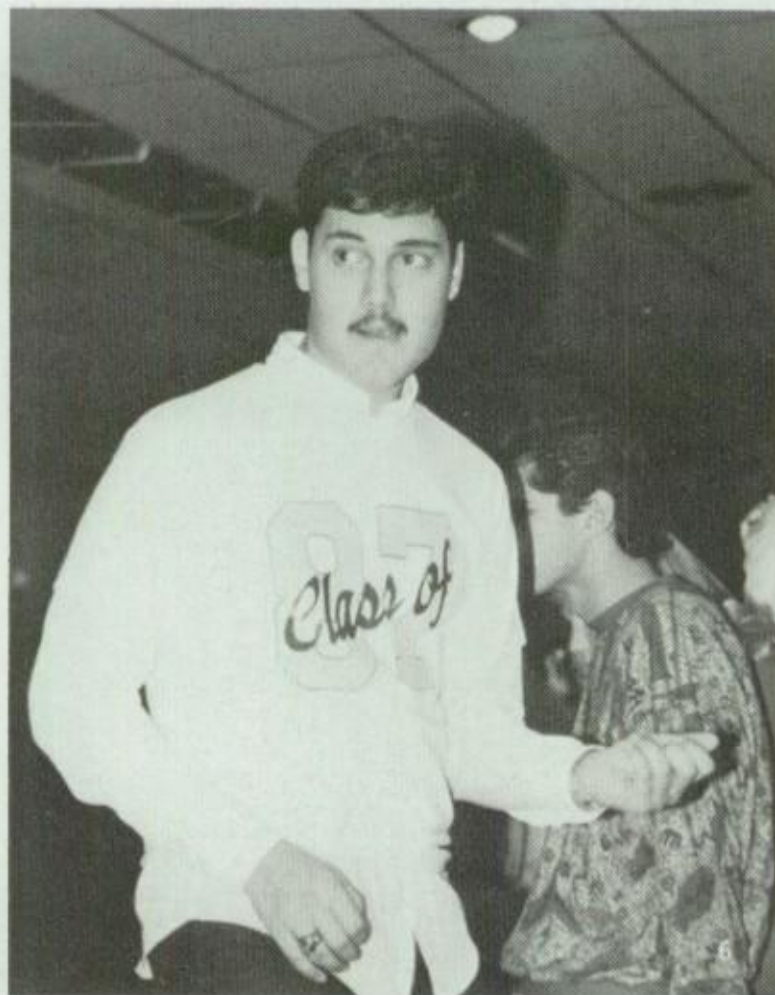

1. Armando Mendoza returning a serve.
2. An avid fan of badminton goes for the birdie.
3. Pat Kealy amazed that he hit the birdie over the net.

2. Joelle Valle, Tim Rogers, Vicki Templeton, and Sean Singwald enjoy themselves at the Christmas Ball.
3. John Michaels and Ryan Meekma prove that crayons, too, can dance.
4. Mr. Serrao and Mrs. Moran cuttin' a rug at the Senior Box Social.
5. Steve Moore's grandmother tries to get into the dance.
6. Rick Gomez does his best Eddie Van Halen.
7. Hey Ray, how does one become a Moreau dance bartender?

The year of '86-'87 has definitely been the time for dancin' those nights away. From Halloween costumes to semi-formal attire, we have really made the most out of these occasional activities. For the freshmen, the most exciting dance is the welcome dance; sophomores-the hop; juniors-the prom; and, of course, the seniors have their senior ball, the biggest event of the year which is held at the Galleria in San Francisco in May. The typical sounds heard this year were "Control" by Janet Jackson, "Fight For Your Right" by the mighty Beasties, and "Sledgehammer" by Peter Gabriel. The music was often provided by The Quake and the Music Masters.

1. Greg Dubney is having an enjoyable time with Keddy Kenery.

FRESHMEN BOX SOCIAL

TABLES ARE TURNED AT SENIOR BOX SOCIAL

For most freshmen, besides their classes during the day, the box social is their first opportunity to mix and mingle with their new classmates. The girls show off their cooking abilities by making dinner for the lucky guy to be seated at their table. After all the nervous tension dies down and everyone has eaten, they spend the rest of the night dancing away until 11p.m.

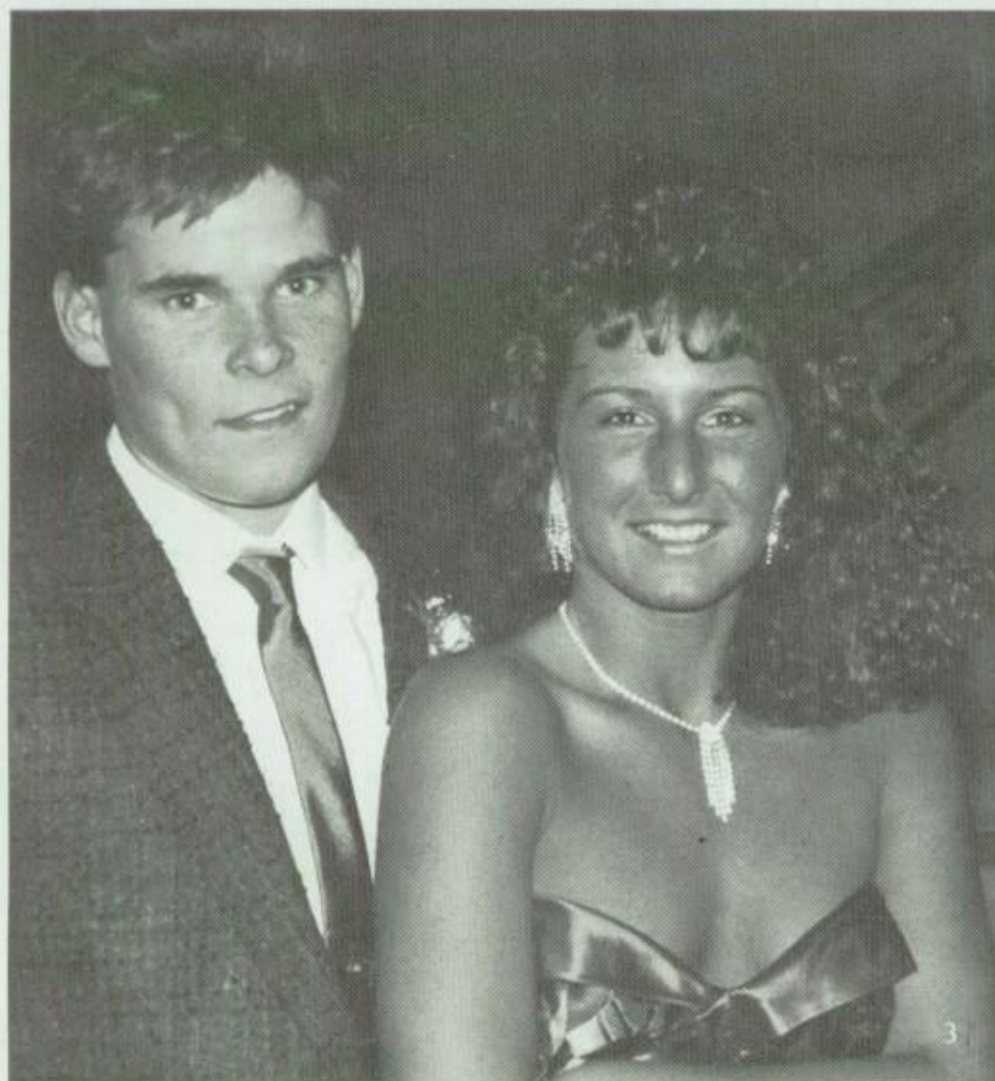

Most girls are relieved once the night is over and are already looking forward to their senior year when it's the guys who have to worry about dinner. But for some reason, the senior boys don't worry nearly as much as the freshmen girls did. If nothing else will work, Domino's pizza is just a phone call away!

The senior guys this year didn't rely on Domino's, though. (At least most didn't!) The girls were treated with dinners ranging from barbecued Cajun hotdogs to Hawaiian meals to such scrumptious desserts as chocolate fondue. Finally, tables were cleared and room was made for the seniors to dance those dinners off. Awards were presented to the guys, from best dessert to best dinner all around. It was a delicious and fattening evening.

1. Four freshmen enjoy their dinner.
2. Freshmen dancing the night away.
3. Charlene Dougherty and Amy Wixson are excited about dessert.
4. Jeanne Knoth gets ready to dip into Jim Mootz's creamy chocolate fondue.
5. Mary Bredderman and Paul Palcido attempt to do the tango.
6. Michelle Garcia is in "control!"
7. Craig Staszko, Shawn Noonan, Tim Avila, Joni Hallett, and RoseAnn Sullivan enjoying a before dinner chat.
8. Brian Standing and Bob Grubbs are preparing a very unique gourmet meal!
9. Joel Proto, Glenn Furlong, Laina Chikhani, Michelle Perriera, and Daniela Ribble say, "We'll drink to that!"

1. Jeff Chimienti, Anna Atayde, Grainne Sweetman, and Scott Jacques relax up on the balcony.
2. Moreau rocks the night away.
3. Eddie Farnan and Annie Loggins head out to their limo.
4. Cindy Marquez, Joey Schwenger, Kim Tuazon, and Myles McCormick.
5. Chris McGlaughlin and Bob Thomas put their serious faces on for Steve Rubiolo.

1986 CHRISTMAS BALL

I MELT WITH YOU

"I'll Melt With You", a smash hit from the movie "Valley Girl", by a group called Modern English, was this year's theme at the 1986 Christmas Ball. The dance was held at the Scottish Rite Ball Room, in Oakland, on the shores of Lake Merrit, for the third year in a row. Before the dance, couples went to dinner at places like Lorenzo's, Emperor, Shennanagon's, all in Jack London Square, and the Tonga Room at the Fairmont Hotel in San Francisco. As in the past, many of the guys rented limousines to impress their dates.

The music was presented by the Quake and couples danced to songs by groups like Modern English, New Order, Dead or Alive, Beastie Boys, Run DMC, and Rock'n'Roll songs from the 50's. After the dance some of the couples went to get something to eat at Lyons or Dennys and cruise in their cars or limos to see the sights in San Francisco. Everyone seemed to enjoy the music and the entire evening.

1. Nyla Chikhani, Justin Chimienti, Julie Martin, Matt Sublett take a dance break.
2. Jason Vargus and his date are excited at their first Christmas Ball.
3. Zarah Tabimina and Dax Parreno.
4. Gina Pangellinan and Arthur Espos.

JUNIOR RAID

When girls thought of Powder Puff practice many things were heard; "The coaches work us so hard", "It always rains", "I don't know what to do", "They want us to practice all the time", and on and on. Starting with more than 70 sign-ups, the Juniors were lucky if even 40 show up for practice. Other commitments such as afterschool sports and afterschool jobs prevented some from attending practice. Others just didn't show up because they didn't feel it was necessary because "the seniors always win". Other than that the juniors had good attitudes, many girls showed their team spirit by putting names on the backs of their jerseys. Some of the names included "C BABY", "ICY", "JUS CHILLIN'", "BIG VALLE", "LITTLE RC", and others just had their last names. This years Junior Raid coaches were very proud of the junior girls. All in all, the 1987 Junior Raid went into the game with good attitudes and left with even better ones. The cheerleaders, the Junior Mints, showed that it was all in good fun. The juniors look forward to next year when they will dominate.

SENIOR STING

Once again the time arrived for the "STING" to come alive. Being their Senior year, the girls were bound and determined not to let any bad calls or called-back touchdowns get the best of them. Practices started out a little slow, but by the last week, spirits were high. The weather wasn't too great, but everyone stuck it out and was excited to keep practicing in the rain and hail. Nothing was stopping the drive of the Senior Sting.

On the final day of practice, team captains Lisa Alves, Lisa Assum, and Carrie Berlogar were chosen. The first team offense and defense were also announced. The first team offense consisted of Chris Roberts (QB), Anna Atayde (RB), Carrie Berlogar (RB), Lisa Alves (WR), Laurie Hollingworth (WR), Rachelle Jones (TE), Diana Kelly (C), Erica Schuh, Roseann Sullivan, Dori Wagoner, and Christy Medellin on the line. The 1st string Sting defenders were Teri Payton (NG), Michelle Garcia (G), Monique McMearn (G), Lucy Sison (T), Janet Zamzow (T), Karna Navarro (DB), Wendi Poletti (DB), Tracy Cardoza (SS), Lisa Assum (FS), and Belinda Ordenana and Susie Sornberger at cornerback.

Special thanks definitely goes to coaches Charlie Bettencourt, Joaquin Barreto, Tim Slone, Tim Downs, Trini Ojeda, and especially to head coach Steve Libby whose positive attitude and continual support gave the girls that extra strong will and desire to sin ... to "CAN THE RAID!"

EXTERMINATE IN '88

1. Rachel Torres looks uneasy about the ref's decision.
2. Dropping back to make the pass is Sonia Ulrich.
3. Anna Atayde runs around the left end.
4. Kiera McCormick breaks through the line and runs for long yardage.

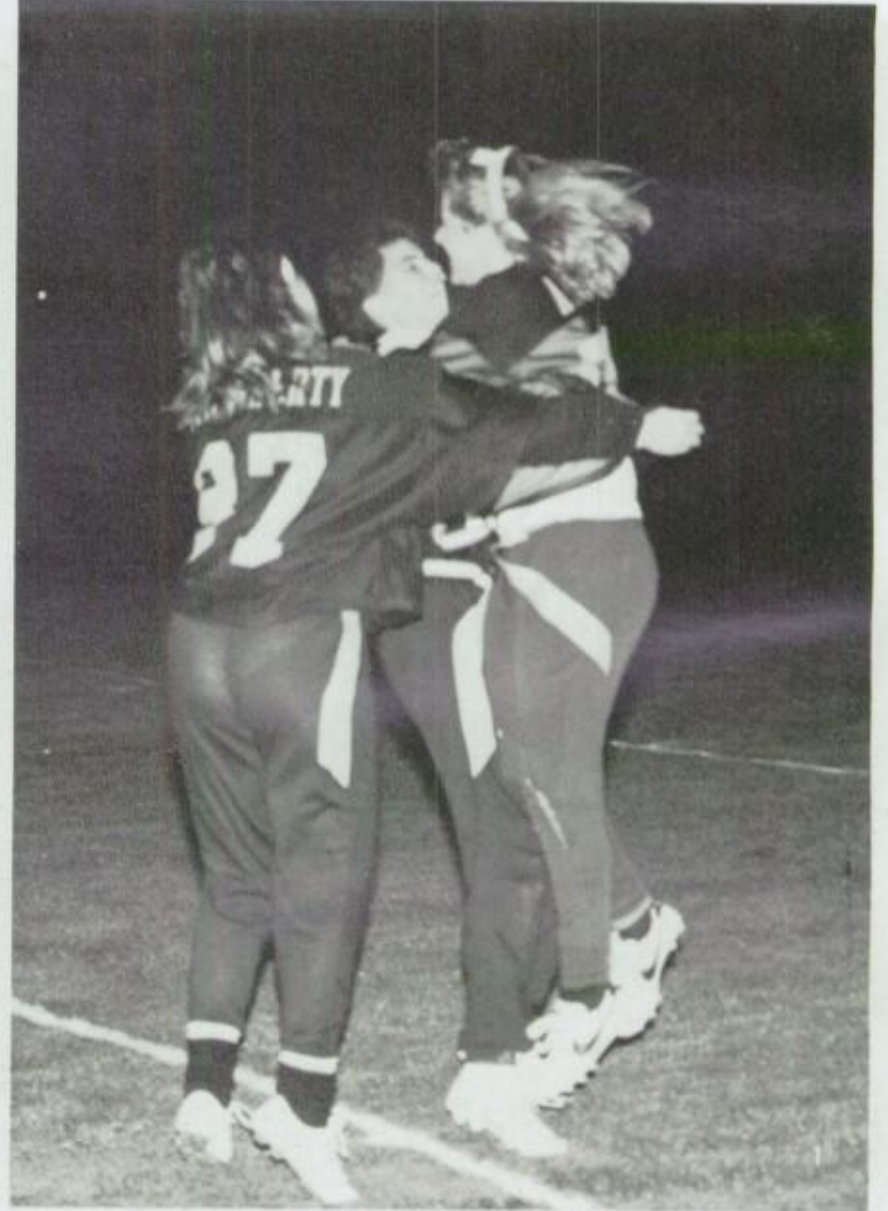

"We scored!" commented Rick Antonini, one of the head coaches. The girls waited too long to get fired up, but over all the girls played well. Some say the seniors allowed us to score, but senior Tracy Cardoza said that the seniors messed up the play. The attitude was light-hearted, although there were blows exchanged, all was well by the end of the night.

Great junior plays were led on offense by Kiera McCormick as running back, Julie Barr at tight-end and numerous line men: Colleen Pendergast, Kim Magadia, and many others. Defense was led by line-backers Maureen Walsh and "Sidetracker" Julie Greaney. The defensive line was led by Autumn Hipps, Lori Lemas, Tara Cortez, and Sonia Ulrich.

Despite the final score of 32-7, the coaches and team members were pleased with the outcome of the game.

SENIORS DOMINATE 32-7

1. Charlene Dougherty, Chris Roberts, and Lisa Alves celebrate a Senior touchdown.
2. Little Milarose Baleva trounces two Junior defenders.
3. The game is played in the trenches.

On March 20, 1987 at 7:30 p.m., tension, spirit, and excitement exploded at the Mariner Stadium. The Senior Sting converged onto the field and the rest is history. The defensive line managed to crush the Raid offense. The cold, midnight air accented the sting of the Seniors. Running backs Anna Atayde and Milarose Baleva, along with wide receiver Lisa Alves enhanced the skill of quarterback Chris Roberts. Our offensive line held strong without letting any Raid seep through.

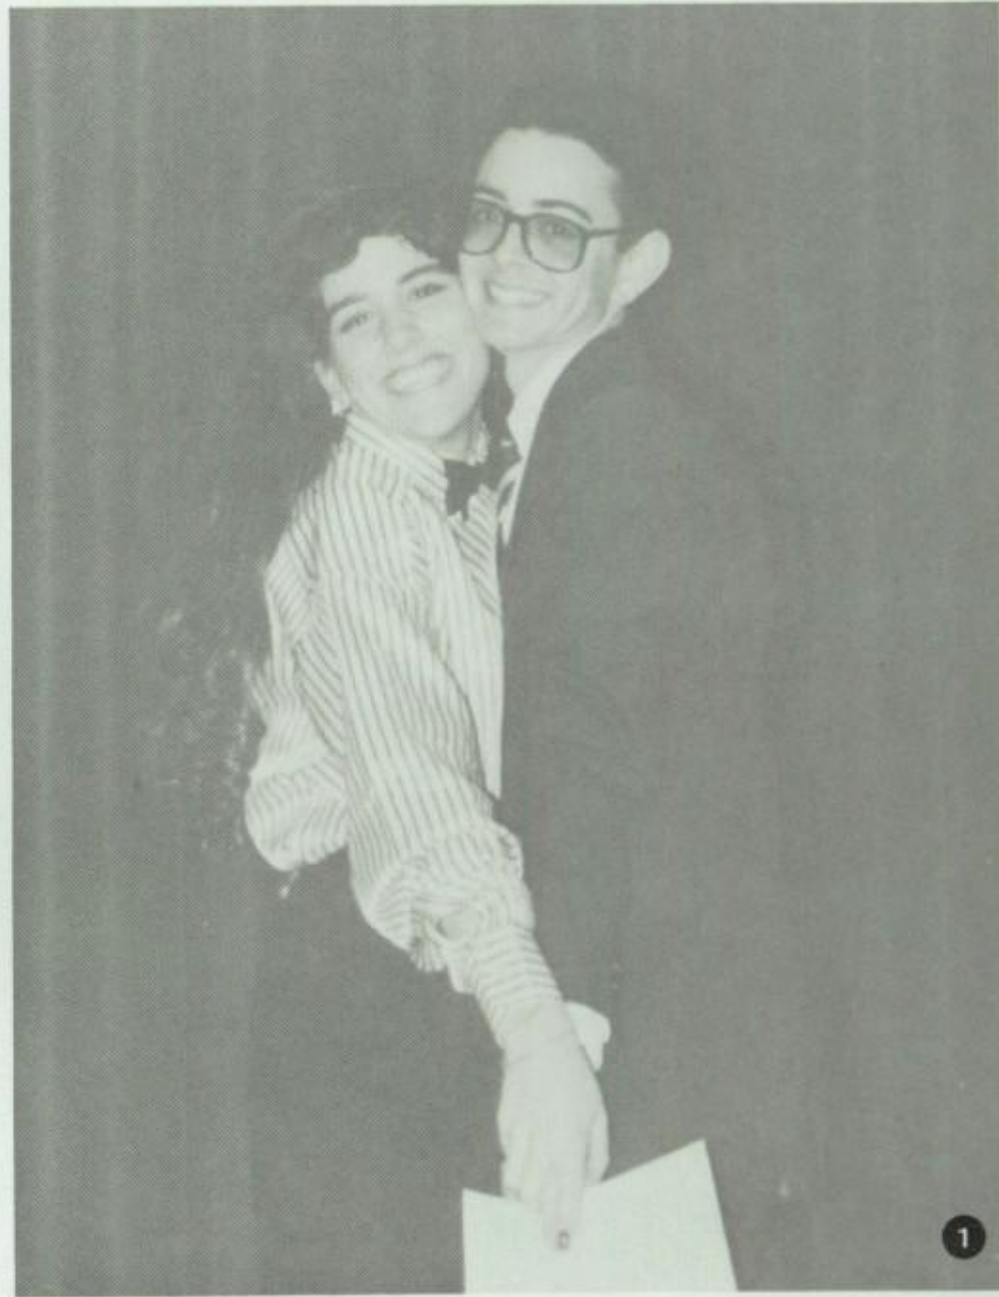

This year's powder-puff team was truly united as "A SWARM" and their sting was unsurvivable. Every player got the chance to prove her skill in the combat zone. Throughout the game, we maintained being the class with "class".

TALENT SHOW

The second annual Moreau Talent Show was again presented by the Moreau Drama Club. It was held only one night, Saturday, January 17th, in the school auditorium.

The show was coordinated by Drama Club Moderator, Ms. Susan Sambuceti, and Drama Club President, Mark Farrell, who both worked hard putting the show together. The Drama Club members also participated in putting the show together, dealing mostly with publicity and artwork. The Club also chose the song "Twist'n'Shout" as its theme for the show after its recent comeback on the music charts.

Tim Avila, Activity Commissioner, and Amy Wison, ASB President, were the hosts for the evening. Many talented people showed up to perform such things as exotic dances, magic tricks, and some also sang and played instruments. This show brought together some of Moreau's most outrageous talent.

(Opposite page) 1. Hosts for the evening were Amy Wixon and Tim Avila. 2. Aina Engalla, Beth Wilmurt, Krista Staszko, and Lisa May sing "Freddie My Love". 3. CAMPUS MINISTRY

Campus Ministry - the guiding force of Moreau Spirituality. Campus Ministry is a new and exciting form of religious education. What makes the class unique is the small number of students (10) and the fact that they are all juniors or seniors. Campus Ministry affords the students involved a chance to grow further in their personal faith by sharing on a deeper level with their peers in the group. This allows the student to ask questions and work out personal faith problems in a less stressful atmosphere.

Another dimension of the Campus Ministry is the work done outside the classroom. The team sets up retreats and masses, as well as other occasions such as, the Christmas party for the mentally disabled and the Thanksgivingfood drive. They also organize the weekly mission collection and morning prayer. Current team leaders are Mr. Mikula and Mr. Swchweickert-Stary. Current team members are Tricia Boyle, Vicki Breeves, Mia DiGuilio, Lynette Duran, Anne Martin, Paul Placido, Anna Remeidios, Dan Sanelli, Bob Swarts, and Myron Tejada.

RETREATS AND MASSES

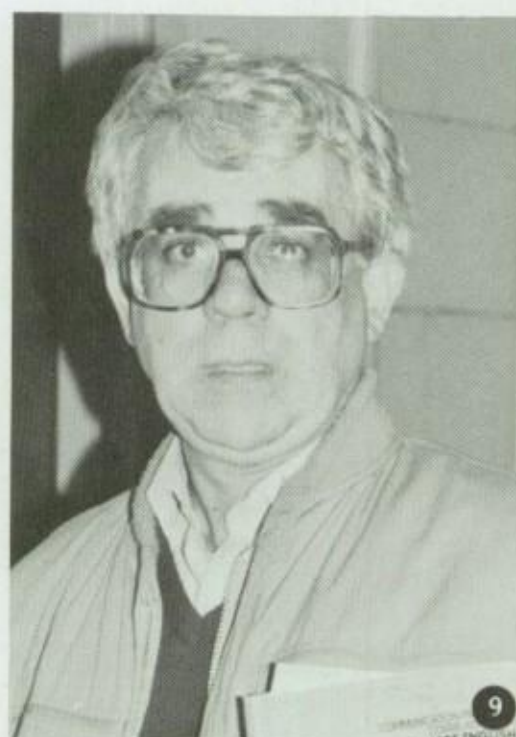

THE ASB OFFICERS

The ASB Officers not only represent the students of their class, but they also represent the whole school. Their first job is to be a representative government. Fulfilling this responsibility, they take any questions or concerns to the faculty.

The officers are also responsible for a number of activities put on this year. Some of these include the coordinating of Spring Fling, Homecoming and Spirit Week. During Spirit Week, they were in charge of everything from the hall decorations to all the rallies.

When Tim Avila was asked why he enjoyed being an ASB Officer, he replied, "Because it allows me to interact with other students who also want to make school fun. Also because I get into a lot of dances for free."

2. Jeff Nelson is reassured that he will not die if he gives blood.
3. Another pair of "proud" blood donors - Claudia Lombana and Anthony Manolis.
4. A group of seniors couldn't care less about being a pint lighter!

The blood drive, organized by Mr. Patterson and the senate on October 23, 1986, turned out to be very successful. 148 pints total were donated. But what good is a blood donation? Think about people who go through windshields and red lights; undergoing dialysis while awaiting a kidney transplant; kids who manage to uncup a bottle full of something poison; people with severe anemia; and basically people in the wrong place at the wrong time. When you donate blood, you donate a chance for life.

BLOOD DRIVE

CLOSE UP

This year's Close Up trip to Washington D.C. was led by Moderator Mr. Robert Kossick Jr. The group was made up of 18 students: Kathy Nedderman, Mike Lyen, Jackie McKean, Matt Fratus, Dori Wagoner, Rick Antonini, Mary Bredderman, Dan Pestana, Audrey Milano, Rosie Sullivan, Gina Massey, Denise DeCoite, Art Espo, Jim Park, Nick Boski, Mike Maddock, Tom Grywczynski, and Karen D'Souza.

The topic for the week was Foreign Affairs. We attended many seminars on various topics, such as: the press in China, U.S. and U.S.S.R. relations, the situation in South Africa, and Congressman Pete Stark's views on the Iranian crisis. All the students were grouped into workshops to discuss the seminars and the daily activities.

We also visited Vietnam Veterans' National Memorial, Lincoln Memorial, Jefferson Memorial, White House, Capitol Hill, and Washington Monument.

On "Capitol Hill Day" we split into groups to tour the Capitol. We had a chance to see Tip O'Neal, Speaker of the House, make his final address to the House. We had some time to tour on our own. Some students chose to go to the Library of Congress and to the Supreme Court. Other students chose to go to the National Gallery of Art - to see the "Rap of Death."

We had the chance to see many things and meet many people. Despite the hectic schedule, and no sleep, the trip was a great experience. Great memories will be had by all.

4. The Close Up group with Pete Stark: Karen D'Souza, Nick Boski, Mike Lyen, Rosie Sullivan, Denise DeCoite, Jackie McKean, Gina Massey, Tom Grywczynski, Jim Park, Rick Antonini, Mary Bredderman, Dan Pestana, Dori Wagoner, Audrey Milano, Kathy Nedderman, Matt Fratus, and Art Espo.

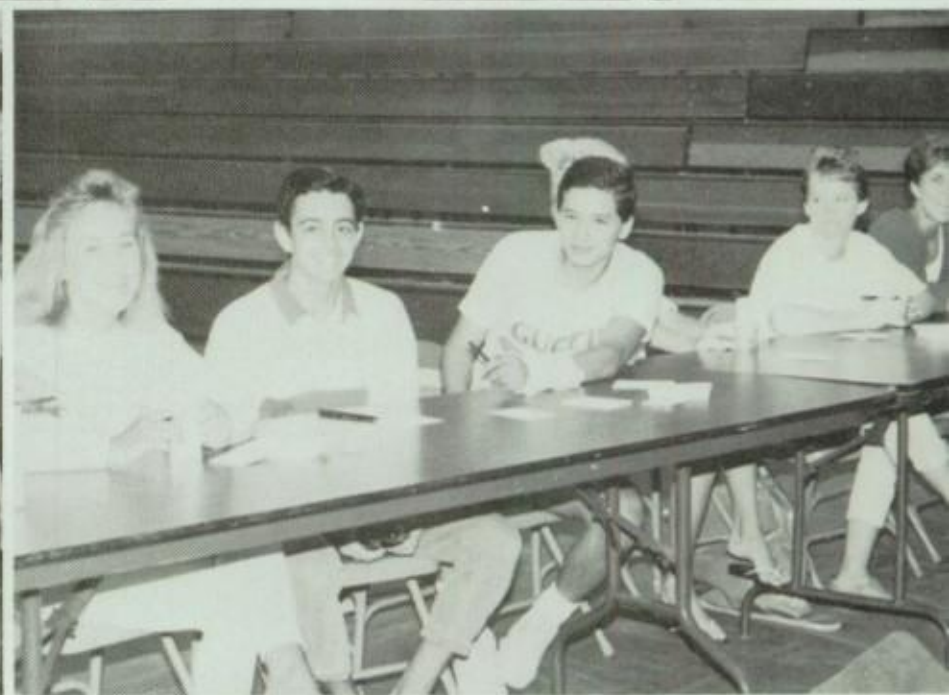

MATHLETES

The Mathletes has been at Moreau for three years and has been under the successful guidance of Mrs. Maryann Udoutch, who teaches Algebra II and Analysis. Students join Mathletes to be challenged because they enjoy having their mathematics skills tested. The Mathletes compete in an interscholastic competition between schools on a state and national level. Unfortunately, due to the large number of students participating in the contest, it is very difficult to receive recognition for doing well. One of the goals of the Mathletes is to improve. Mrs. Udoutch says, "We are trying to get our averages up to be comparable to other schools in the nation."

CALIFORNIA SCHOLARSHIP FEDERATION

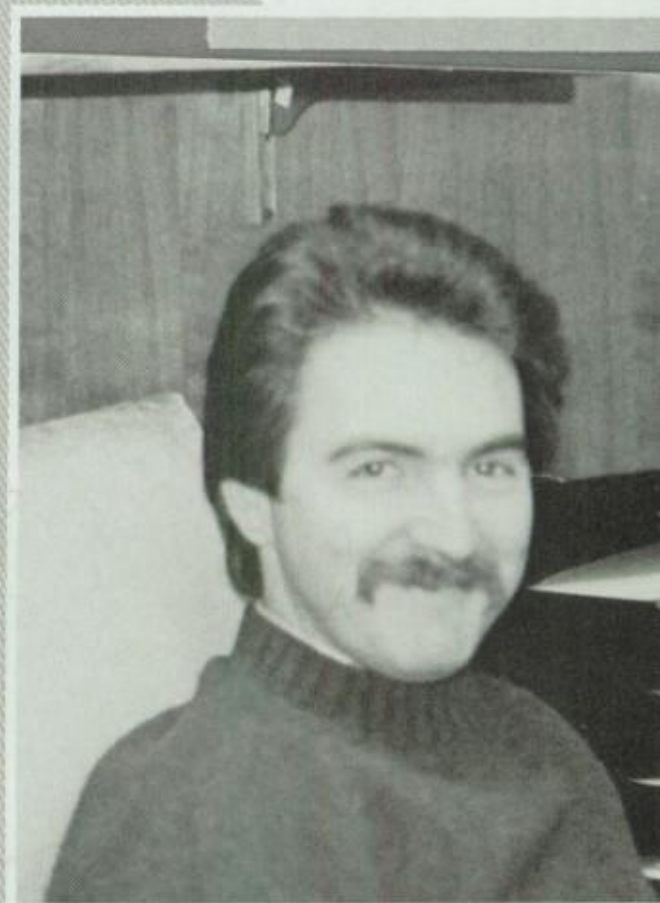

The California Scholarship Federation (CSF) is a highly regarded organization. The purpose of the CSF is to foster high standards of scholarship service and citizenship on the part of the students of the high schools in California. To gain eligibility one must earn a minimum of ten CSF points gained through A's and B's earned in college preparatory courses.

This year's CSF has been quite successful in the planning of their activities. They include a trip to the Southern California colleges and the running of a very successful tutor program.

The officers of the CSF: Laurie Hollingworth, Jill McCormick, Ed Martin, Maria Abreu and Stacey Hendrix.

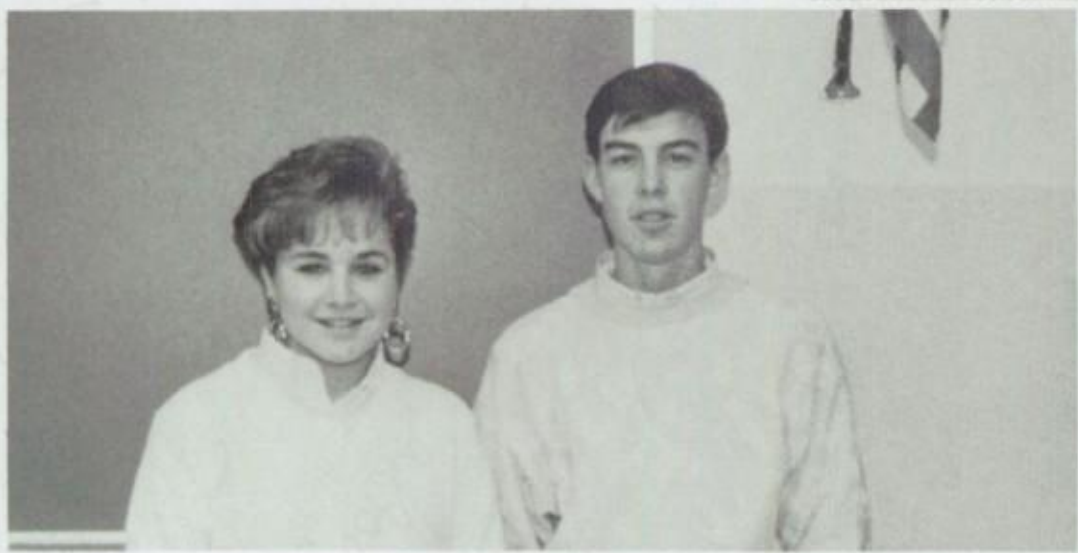

Moderator of the CSF, Mr. Jim Maxwell.

NATIONAL HONOR SOCIETY

"This is the National Honor Society's first year at Moreau. I expect the club to do a lot this year, the club is in the service area mainly because it's a service club. We are made up of sophomores, juniors, and seniors. No freshmen, but maybe next year," President Bob Grubbs.

The purpose of the club is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools.

NHS Vice President Mia Di Giulio and NHS President Bob Grubbs.

NHS Moderator Ms. Diane Mathlios

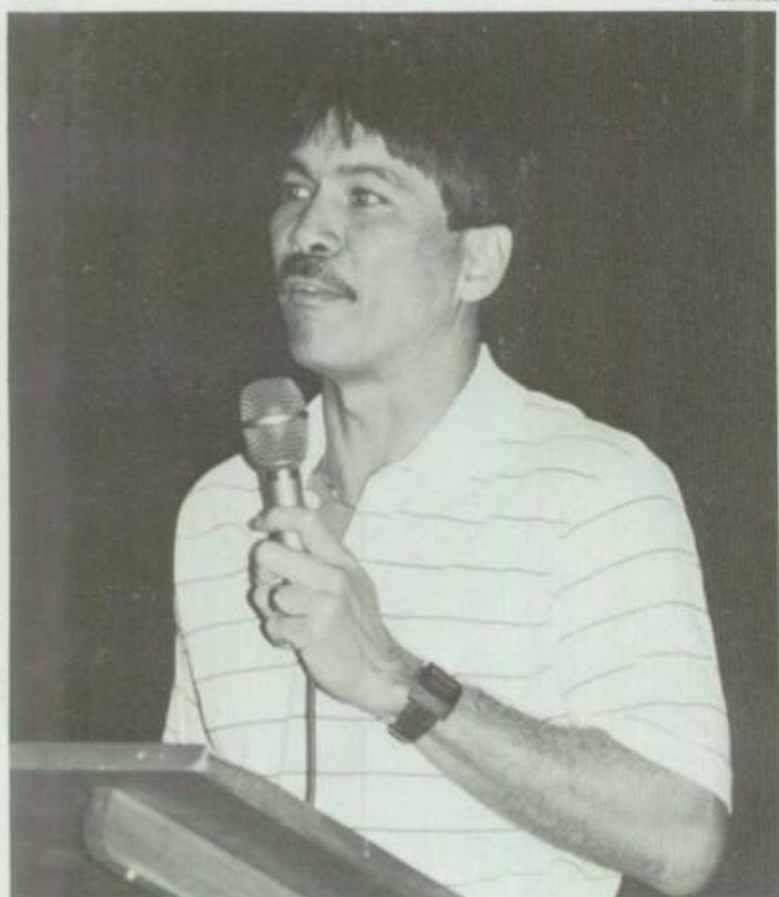

The members of the NHS, all nominated by a teacher, maintain at least a 3.0 G.P.A. and must show outstanding leadership.

BLOCK M

Mr. Don Morneau was overwhelmed by the membership turnout of the Block M Club this year. A great increase in membership is encouraging to prospective members. There are four co-presidents this year: Rachelle Jones, Steve Libby, Chris Roberts, and Pat Smith. Mr. Morneau says that the purpose of the Block M club is "To reinforce the spirit within the Moreau community by providing support at rallies and athletic events." They also sponsor various different activities throughout the year. In the past, they sponsored the "KFC All-Stars"-vs-Moreau Faculty. The proceeds benefitted a student, Nancy Ferreira who was sick.

The Block M Club meets once a week depending on the schedule of athletic events. The only prerequisite for membership is having a block for a varsity sport. *Pictured-Bottom row-* K. Douglas, B. Guesnon, V. Herrera, L. Assum, K. Cardoza, R. Jones, M. Ulrich, C. Roberts, L. Hollingsworth, S. Ulrich, M. Tom. *Top row-* P. Zendejas, C. Staszko, P. Smith, A. Loggins, J. Berio, S. Ulrich, R. EQUESTRIAN CLUB

Although the membership is small, the Equestrian Club is perhaps one of the more unusual clubs at the school. Many people don't really know what the Equestrian Club is or does. The club basically is for those who have an interest in horses. The club is run by Mrs. Margarethe Harper, with the help of the officers. The purpose of the club is to try to teach some of the basic principles of horsemanship; learning how to train and work with the animal. The members meet every other month and take lessons from instructor Cindy Lezure.

- 3) David Widmayer, Rich Graves, Sergey Zaderey and Rick Gomez are the officers and moderators of Chess Club.

CHECK MATE!!

The chess club is headed by David Widmayer; the moderator, Sergey Zaderey; the president, Rick Gomez; the vice-president, Richard Graves; the secretary-treasurer. The club meets once a week to discuss and employ new strategies and engage in a challenging game of chess. Although chess can be a very competitive game, the members try to promote good fellowship among themselves.

It is the second year for Mr. Dave Widmayer as the club's moderator so the club will be more interesting. The members of the Moreau Knights (the club's official name) learn to organize thoughts and strategies by doing things one at a time in a particular order. The goal of the club is to apply the playing experience to other things in life.

KEY CLUB

The Key Club, moderated by Mr. Bowen, is one of the many clubs across the country in conjunction with the Kiwanis, a community service-oriented organization. The students involved in the Key club learn to develop leadership skills, and CCS hours are also completed in projects sponsored by the club. Some projects which have been done are: the Thanksgiving food drive and the ice cream sale. Another Key Club activity is the donation of eyeglasses for the needy in Central America. All proceeds from the projects go to charity.

CULTURE CLUB

ENJOYING LIFE'S PLEASURES

This year saw the development of a new club with a unique purpose. The idea behind the Culture Club was to take advantage of the wide variety of cultural experiences the San Francisco Bay Area has to offer. Live stage and theater, cultural festivals and celebrations, art exhibits and some of the best restaurants in the country are a few of the interesting types of events that the club hoped to attend. The club went to the Harvest Festival in San Francisco in the Fall which consisted of an arts and crafts exhibition. Unfortunately, due to lack of interest in activities, fluctuating membership and conflict with other school activities the club had a short term existence. The moderators are Mrs. Harper and Mrs. Siegel.

- 1) Members of the Culture Club are Pinky Devera, Maria Estrada, Angelica Gonzalez, Andi Botstford, Shirley Yang, Diane Romo, Janal Watkins, Ana Cardoso, Stacey Hendrix, Jennifer Pike, Mary Jane Joson and Amy Mazziotta.
- 2) Annabelle Rodriguez smiles at the thought of the club's next activity.
- 3) The Culture Club Officers are: Communications: Stacey Hendrix, President: Diane Romo, Vice President: Janal Watkins, and Sec/Treas: Shirley Yang (not shown).

The 1986-87 school year brought the start of the Drama Club's fourth year, led by Ms. Susan Sambuceti. The club offers members the chance to explore some features of acting and the theatre. The Drama Club isn't part of putting on the production of Fall Drama or the Spring Musical but it does coordinate the annual Talent Show. The Drama Club is an outstanding way to experience acting and drama if you don't participate in the plays. It's also a great way to meet people with similar talents and interests.

THE PEACEFUL ACTION EXPRESS CLUB

1. Mr. Steeb, the group moderator, tells the group his opinion.
2. The Pax Club: Mr. Steeb, Danielle Maze, Ray Schmitz, Jennifer Stafford, Peter Holland, Barbara Reyes, Cheryl Richter, Nikki Abrizau.
3. Peter Holland, Pax Club President, takes control of the meeting.

The Pax Club, which is new to Moreau this year, is moderated by Mr. Steeb and Mrs. Candell. The Club was started by a group of students who wanted to learn more about world events and to inform the Moreau community about issues which concern us. The students went to some rallies in San Francisco and decided they wanted to become involved. As a group they attended rallies and went to Mayor Feinstein's office to protest the nuclear U.S.S Missouri Battleship being stationed in San Francisco. In the Spring, they plan to attend Peace Week, a week where many Bay Area peace groups get together for World Peace, and state their views. The Club itself has stopped because of the difficulty of making the meetings. Even though the club no longer remains, the members still attend rallies and keep pushing for World Peace.

PEACE-BACK BY POPULAR DEMAND

A few students were very impressed after attending a presentation about Students Against Drunk Driving at the Oakland Coliseum. These students wanted Moreau to take action against drunk driving and to protect friends from being killed. Moreau now has its own chapter of S.A.D.D. with the help of Lisa Assum (President), Nancy Quinones (Scribe/Secretary), Belinda Ordenama (Treasurer), and Ms. Glass (Moderator).

The club does not preach about the evils of drinking-the members are not against drinking. The idea is to educate

students about potential dangers and their responsibilities to themselves and others. One way to accomplish this is by showing students "Friday Night Live," a film presentation about a drunk driving situation. Another way is with the "Contract for Life", a contract between student and parents that states if the teenager gets drunk the parents will pick him or her up with no questions asked. S.A.D.D. is a unique club in that it gets students and concerned parents involved together to educate each other and ultimately save lives.

The 1986-87 Poly Club had a successful and fulfilled year with the help of its dedicated officers and the guidance of moderators Mrs. Levv Wendt and Mrs. Burgin. It started in October when they sponsored Aloha Week in which they celebrated Hawaiians and the gift of Aloha with a Candy Lei Gram Sale and Polynesian Dance Performances. Then in December they spread the Christmas spirit by donating half the proceeds from the Candy Lei Gram Sale to a Christmas Party for the mentally retarded and also held a Candy Cane Gram Sale. Their last major fundraiser was Jeans Day which was well organized and profitable. With the remaining profits from these fundraisers, the hard working officers led the club in organizing the 7th Annual Luau in March-"Island In Your Eyes". This year's luau brought the Islands of Polynesia to Moreau with breathtaking Tahitian dancers from the Hula Haulau O'Nalua dance troupe, other pulsating entertainment from a band and singers, and a mouthwatering variety of Polynesian cuisine including Kalua Pig.

- 2) Those exhilarating Polynesian dancers transformed the auditorium into a Polynesian paradise.
- 3) Katrina Manaois invites you to celebrate the gift of Aloha at a performance during Aloha Week.
- 4) Poly Club Officers: Treasurer Margaret Andaya, Secretary Michelle Mendaros, President Anthony Manaois, Sgt. at Arms Che Villanueva and Vice President Rochelle Cello.

POWDER POWER

The most popular club at Moreau is the Ski Club. The club moderators; Mr. Watson, Ms. Judd, Mrs. Siegel, and Mrs. Sandberg, planned the first ski trip to Squaw Valley, which drew many ski happy students.

This year's snow hasn't been the greatest, but if it keeps on snowing and if it stays longer, the Ski Club will be going on a second ski trip to Kirkwood which should make the Moreau Ski Bums happy.

This year's Ski Club got off on a rocky start due to poor snow conditions. If the snow keeps coming the Ski Club will have a good ending to their ski season.

BIKE CLUB

Moreau

Robert Bingham, Larry Long, and Winston Wang embark on their trek across the Golden Gate Bridge.

Larry Long, the moderator of the Moreau Bike Club, took this athletic group of cyclists on a number of trips this year. He led them to such places as Half Moon Bay and San Francisco. Later this spring, the club plans to go on an excursion to Marin. The club's trips are usually 20 to 30 miles long, with the exception of the overnight trip. The tours cover various types of terrain, ranging from the smooth streets of the city, to the rough dirt trails in many parks. The trips are designed to challenge the individual rider, while remaining within the limits of each cyclist's endurance.

The Bike Club instituted a new regulation this year to comply with state law. All members must wear a helmet when riding with the club. This precaution is necessary due to the inherent risk of head injuries in all cycling accidents.

COMMONWEALTH VISUAL ARTS

"The purpose of CVAC is to view and enjoy the televisual work of the United Kingdom and its former colonies", explained Rick Gomez when asked about the British or Commonwealth Visual Arts Club.

With new moderator, James Dann, the group of fun-lovin' lads hope to pick up where the British Television Club left off last year. For various tapes, MTV, and public television, the club viewed such works as Dave Allen, Monty Python, The Young Ones, and the Prisoner.

So, if you have a taste for British humor, the Commonwealth Visual Arts Club may be your key to having a "bloody good" time.

EXPLORER '87

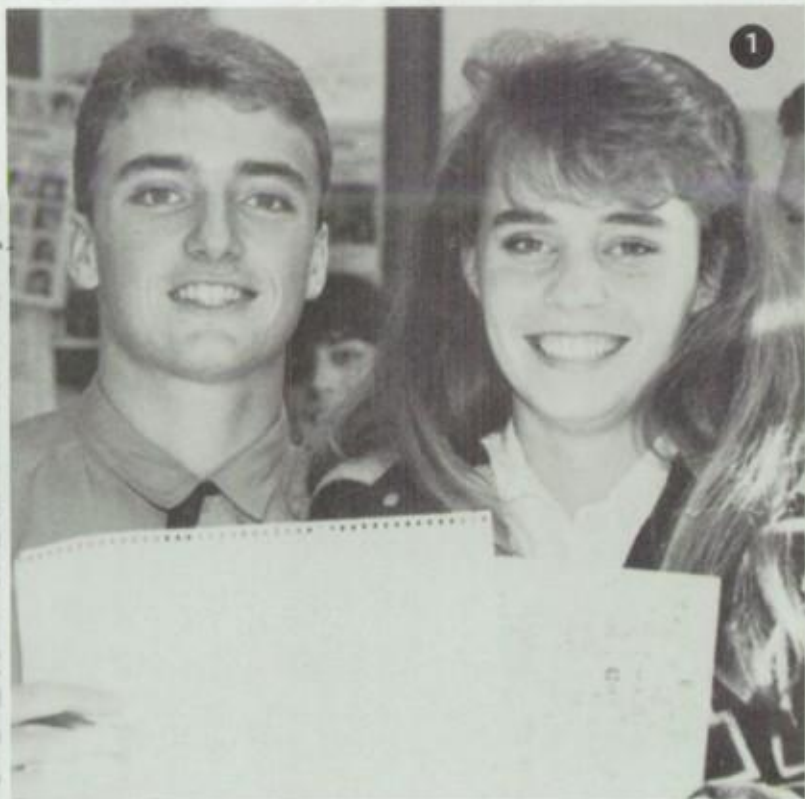

In his third year as class advisor to the Explorer Staff, Mr. Marek Breiger experienced a change. This year the Explorer Staff was composed of one class of 38 writers instead of 2 classes as in previous years. The one class format made organizing and editing the newspaper easier for Mr. Breiger and his two editors-in-chief: Amy Wixon and Peter Parenti. Having one class also brought more unity and team effort in producing the paper.

The newspaper covered many events around school throughout the year like the unusual outcome of Spirit Week, the MVAL move, and the construction of the new cafeteria. Important national events like Irangate and the Daniloff case were given editorials and reviewed in class discussions throughout the year.

1. (page 74) The Editors are Gordon Pascale, Paul Delucchi, Amy Wixon, Scott Gier, and Peter Parenti. 2. Class Moderator, Mr. Breiger. 3. The Explorer Staff.

VOYAGER STAFF

Heading this year's Voyager Staff is Editor, Annie Loggins and Head Photographer Bob Thomas, both returning from last year's staff. Also helping out is Assistant Editor Beth Guesnon. The rest of the staff is new.

The middle of the year found us over extended and behind on deadlines. Due to part-time jobs, after school sport commitments and car trouble, staff members found it difficult to keep up with the volume of work required. But in between re-drawing layouts, missing photo sessions due to rain, having the photo lab lose our negative and rewriting copy, we managed to create a book that we hope does justice to Moreau.

For most of us the excitement and anticipation increased as soon as our last pages went to press. This feeling is special to us, the yearbook staff, because we feel we are giving a gift that is more lasting and personal than a monument or a plaque. The Voyager Staff feels fortunate to have been able to contribute something so important to the school in remembering this past school year.

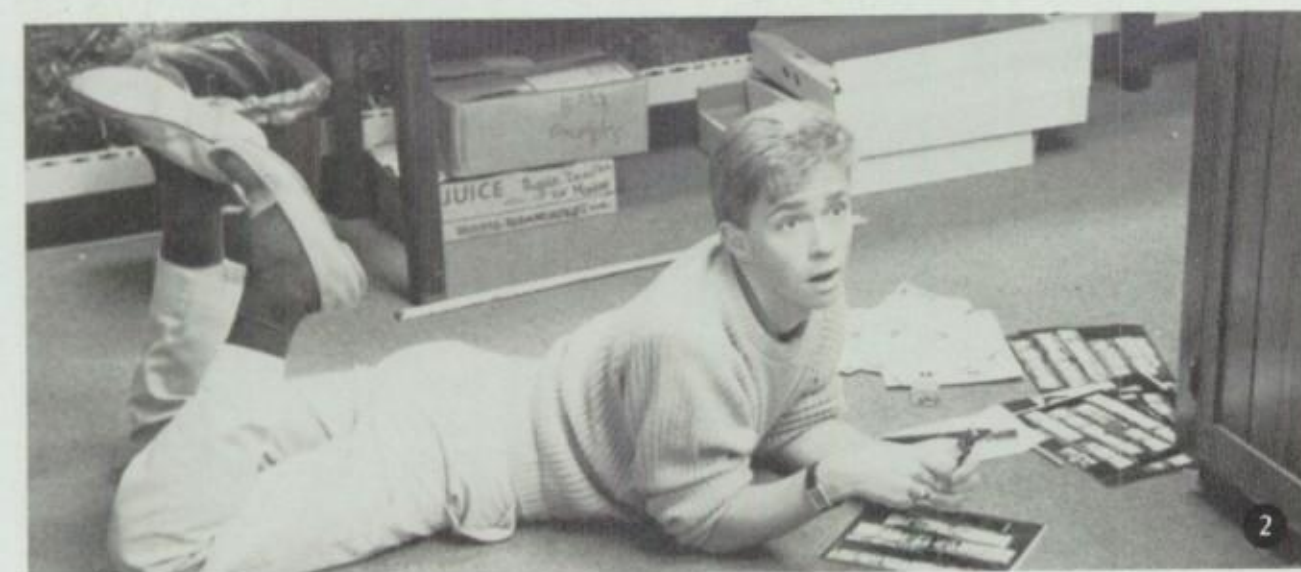

1. Rick Gomez and Marla Pardola work hard on the Faculty pages. 2. Tracy Cardoza and Mary Bredderman work on a layout together. 3. Bobby Robello checks the Varsity Football copy. 4. Lucy Sison tries to look innocent with her big beautiful eyes. 5. Bob Thomas and Ms. Pugliese enjoy working together for the second year in a row.

Romela,

Hi? Well, we're almost juniors? We've been through a lot together. I'm just glad that we've remained friends since 6th grade. That's what's important. I can't believe this year is over? It just seemed to zoom by? Well have a fun summer? ~~oops~~ (oops) We have to go out some time? Give me a ring?

Cheryl

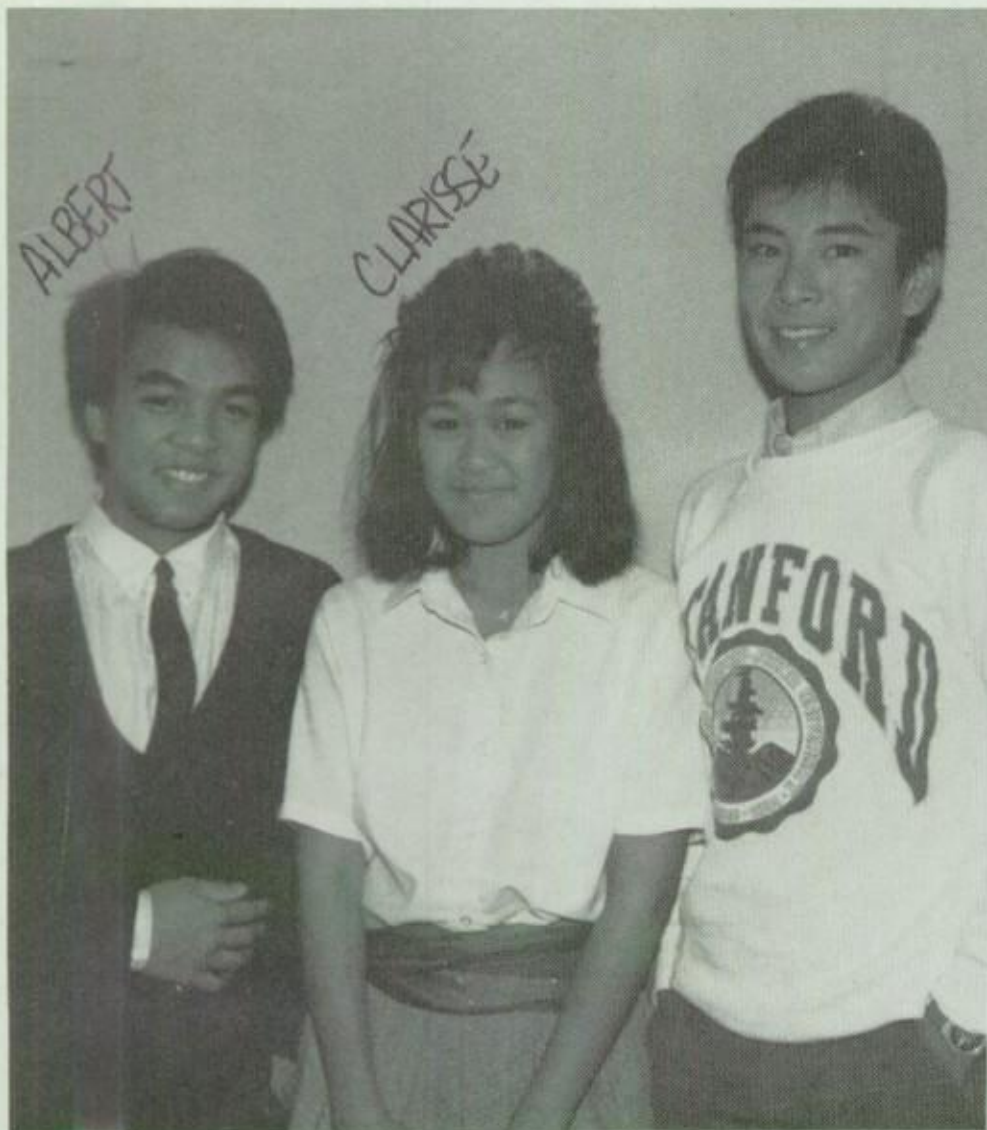

Romela,

Hey shorty! What's happen'?! Anyway, how was your sophomore year? Mine was o.k. Well, it's about time we're upperclassmen. But you know what? It's going by too fast. It seems like only yesterday we were at Freshman Orientation. High School goes by too fast. I CAN'T TAKE IT!! You know what? We're getting old. I just realized that. Just think, I'll be 16 years old and you'll be 17 years old. Just think that 10 years from now we'll be married and have kids running around the house and think back to the good old days of high school at Moreau. I can't believe we actually survived 10 grades of school. Anyway, better go. Have a great summer & keep in touch.

IS BEING A FRESHMAN ALL THAT BAD?

When most people hear the word "freshman", a negative connotation automatically comes to mind. This word is associated with such things as last, weird, immature, etc.

When you see somebody being picked on by an upper-classman, most always the person being picked on is a freshman. Almost everyone has considered their freshman year their worst, but is being a freshman as bad as it seems?

Freshman Wil Stazkow says he likes it. "Coming to a new school like Moreau is exciting. It gives you an excellent opportunity to meet people, especially girls", says Wil. And it's true. You can never meet so many people as you can in your freshman year.

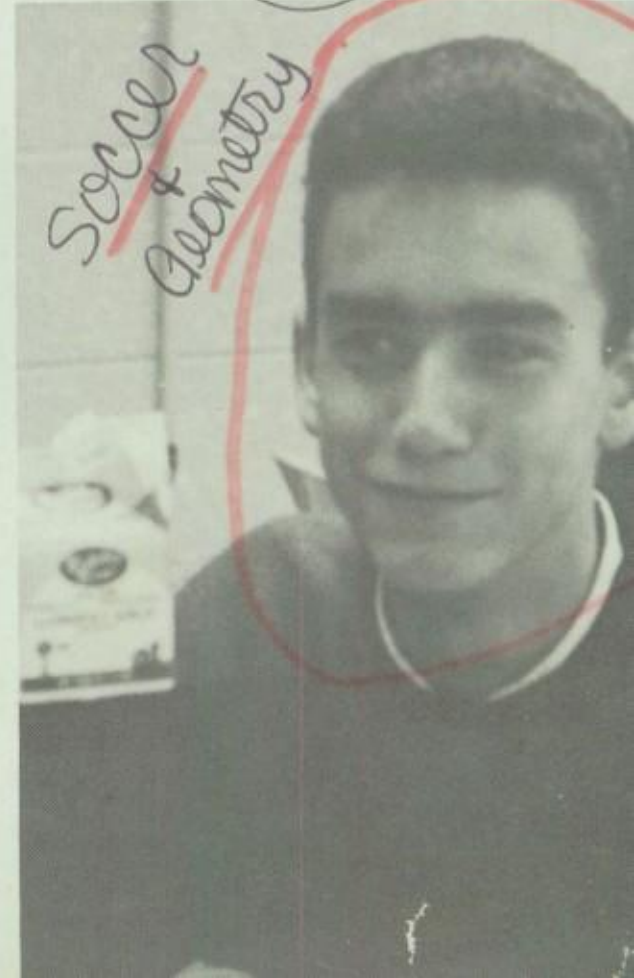

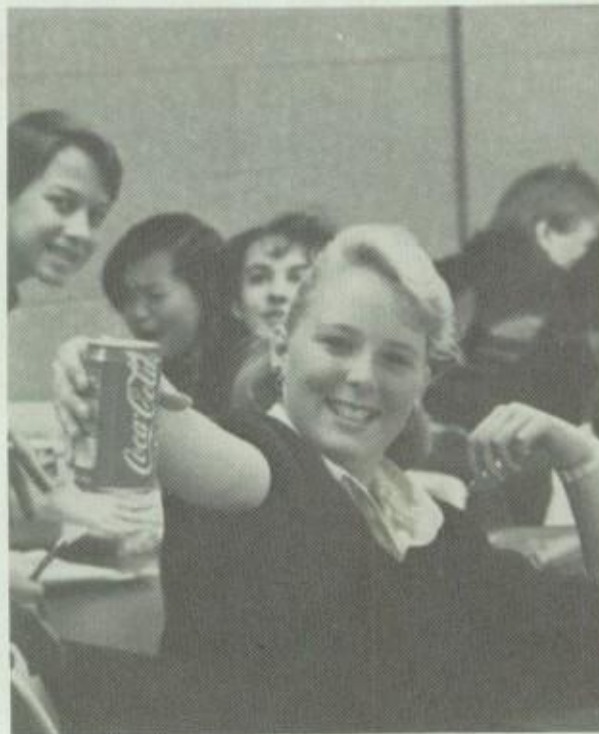

But what about all the stories about how the seniors are always picking on the freshman by cutting in front of them in the lunch line and pushing their books out of their hands on the stairway? How could a year be exciting with these things going on?

Another freshman, Matt Sublett replied to this question saying, "Oh, those things are just myths. Sure they cut in the lunch line but so does everybody! I have heard these stories, too, but I've never had my books pushed out of my hands and I've never seen it either."

So why then does everybody talk about freshmen year with such despair?

1. Jeremy Adams ponders about his freshman year.
2. The spirit of the class of 90 has just begun.
3. Coke is it for Sara Whitmore.
4. Wil Stazkow prepares to slurp his low-fat milk.

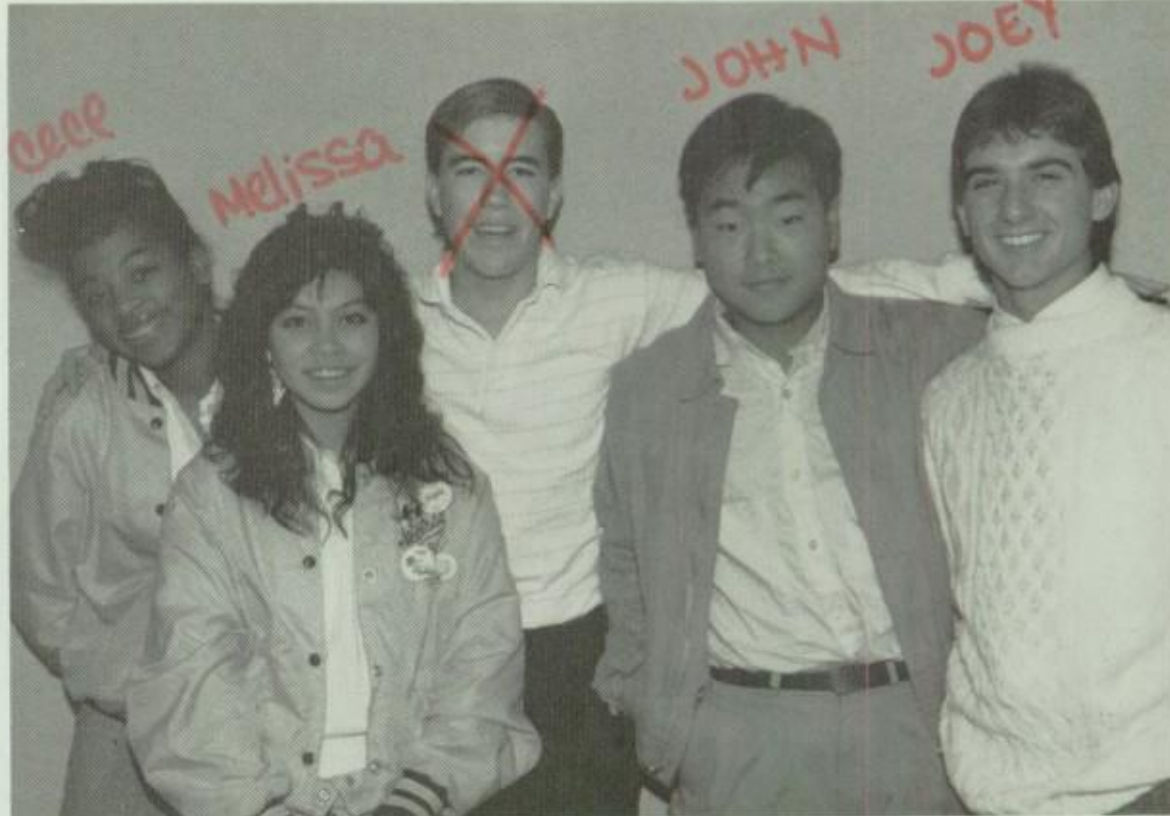

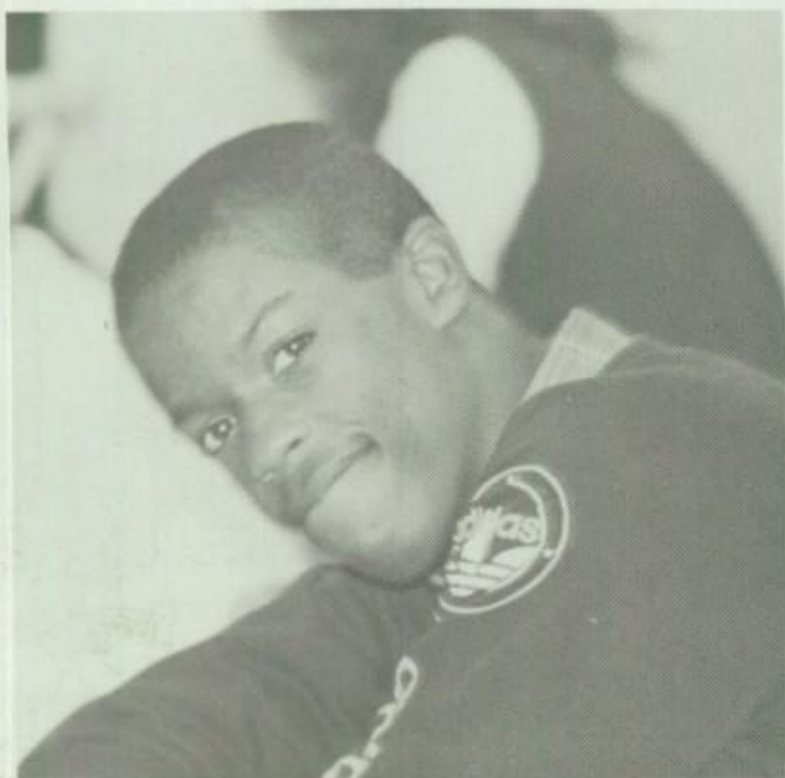

1. A group of Freshmen making decorations for their hall.
2. Eileen Ordenana and Lisa Anas sitting comfortably at a rally.
3. Hank Salguero shows his enthusiasm about being a freshman.

Dear Romela,

Bonjour? Ça-va? No, I'm not about to write this in French. I'm so glad we've become best friends. Thanks for listening to me when I needed someone to talk to. I don't know what I'd do if you weren't there at times when I was feeling down. I mean who else could understand my situations the best. This year did have its good + bad points, but I'm glad summer has come. This will give us an opportunity to enhance our social life. I don't know what I'd be like now if you didn't help me when I liked Mark. Hopefully things will work out between you + _____. But, it's gonna take some planning in advance. I don't know what to do anymore. I wish we'd meet so more new people. Well, pretty soon you'll be driving - I know you'll do fine in Driver's Training. Well, no more Biology, Geometry, + French classes for now. I just hope we have some classes together next year. But, je ne sais pas ce que! I hope things work out with our plans for Great America. Anyways, just think - we're gonna be Juniors! Yeah! We're halfway there, ☺ I can't believe all of the things we've been through. Well, here's a short recap... there was Melanie's party on Jan. 20 (of course I remember), the day at Berkely, but before that was my party on Feb. 21. Then there was the incident at the club + finally dinner at the Mayer's; not to mention the guys we've liked in between. Well, at least we're meeting finer guys! Well, I'd better go. Wait, I gotta bail or I gotta hit it. Vale,

BALLOONS FOR MY BIRTHDAY

Through the years the tradition of giving balloons for birthdays has grown. It's typical to see some embarrassed girl hiding behind a bouquet of colorful or foil helium balloons on her "day." On any given birthday a man in a tuxedo, a gorilla, a bird, or even a cartoon character is liable to walk into the cafeteria to deliver the balloons. Or even worse, to sing, increasing the embarrassment.

In the picture at the right, we have an example of one of these birthday people. Her friends gave her these early in the year. Her name is Michelle Britto, it was her 15th birthday Jessica Mills is next to her, helping celebrate her birthday.

Possibly the only conceivable problem is the struggle of getting from one class to the next. It's worth all the trouble if you consider it only happens once a year. Most people don't seem to mind the "Hallway Hazards."

Mike Fickes "SLAM A RAM" the way it was.

First period Driver's Education are mesmerized by Coach Anderson's lecture.

SOPHOMORES ARE DRIVING!

One of the most exciting events of your sophomore year is getting your first license. You start off with Driver's Education for one quarter. (Wow . . . no P.E. for an entire quarter!) You get to watch gory movies like "Wheels of Tragedy" or "Red Asphalt." The movies are intended to keep you from driving drunk. Even more exciting for a lucky few is owning a car. (Some even before they are 16.) One such student is Mike Fickes. Not only does he currently own a truck, it's one of an assortment of vehicles owned by him prior to turning 16. His most current, not to mention his "pride and joy", is a Dodge Ram that he's invested money and time into for almost a year. Where did the money go? Into hydraulics, detailing, chroming, etc. Only a few of the steps to making a show truck. Some people may get to drive Mom's or the family's car for a while, but if you park on Calhoun, no one will see you . . . the embarrassment only lasts a while . . .

Romela,

I cannot believe that you and I did not get one single class together! not even lunch!!!! That really sucks! Next year definitely. If not I am definitely gonna switch some of my classes around. Thanks for being someone I can talk to you're a truly understanding person!! You're one of my very best buddies and I love ya a lot! You're the sweetest and absolutely gorgeous! Another thing I can't believe is that we're already gonna be juniors! That is so awesome. Two years have already zoomed by us! You and I have done a lot in those two years!! Remember Great America? I can't believe I liked John. We should've ran off with those 2 guys we saw, I think it was on the tidal wave! The freshmen dance last year was the best! We didn't go to any dances together ^{this year}. I don't think, but next year is a definite must! Carol's party was a lot of fun. Jeff is a total jerk, he sure was fine but his ego could use a little help. Anyway, you and Carol have to come down to the club again! Yeah! That's it! Every single day. Just drop on by and I'll introduce ya guys to some very gorgeous male species from O'leod and S.F. And we can drool and chase 'em around, no, they'll be chasing us!! Too bad Jeff! Mawk! Ha! Ha! Ha! Ha! Anyway, thanks for being my friend. You're the best! We will definitely go out this summer... a lot! You're awesome! Have the best summer ever!!

Love, Diana

Romela,
Thanks for being
Such a Sweet friend.
You're hella cool. You
made my year ~~the~~ here
at MHS we have some
memorable classes together
Hope we have some together
next year. Have a great
summer & call me, OKAY?
Love ya, Nancy

WHAT A WAY TO MAKE A LIVING

As juniors we are now becoming more independent as well as being aware of how useful a pocket full of cash can be. This is why most of us are getting our first jobs, discovering that minimum wage isn't enough to live on, and finding out how "wonderful" managers and customers can be. That is where our independence begins—we don't have to ask our parents for money anymore.

1. Julie Gambina shows us how efficient she is at Hester's Ribcage.

2. Rick Lyons shows off the great everyday Kmart price sign.

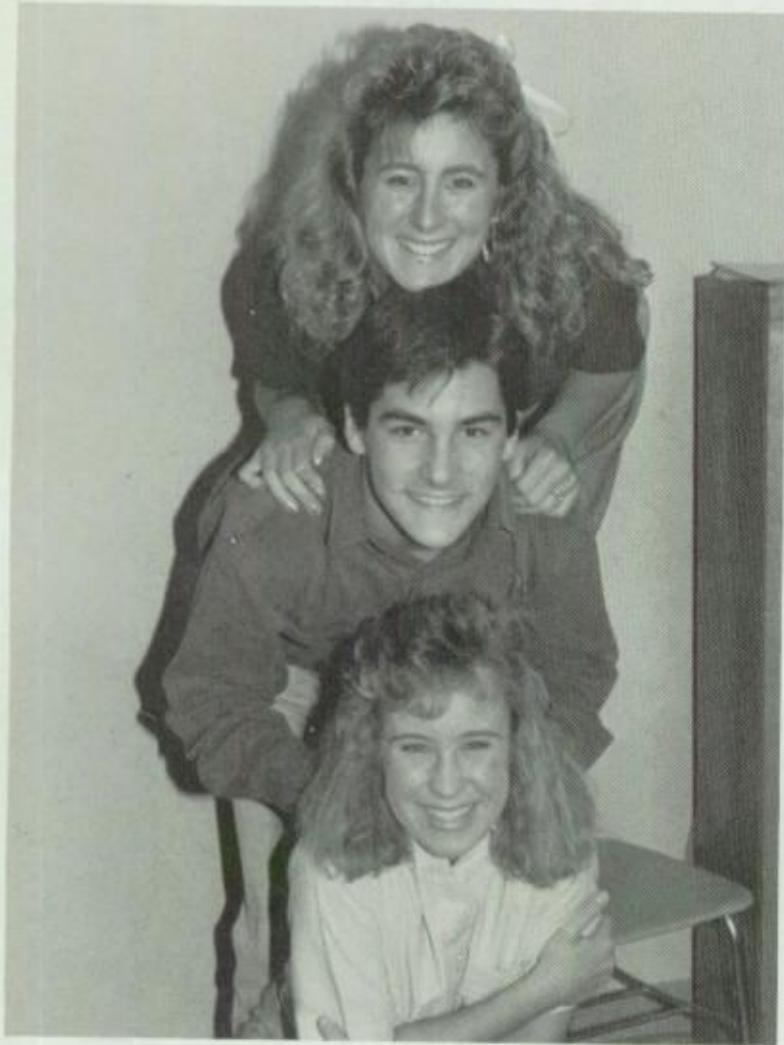

BENEFITS

Having a job gives us spending power, cars, clothes, dates, parties, etc. For those of us that are smart financial security in the future is what this money goes towards. But on the other hand, it is difficult because most people have to work on weekends, which does get in the way of their social life. But all in all most people feel the benefits do outweigh the disadvantages. For all Juniors who work this one's for you.

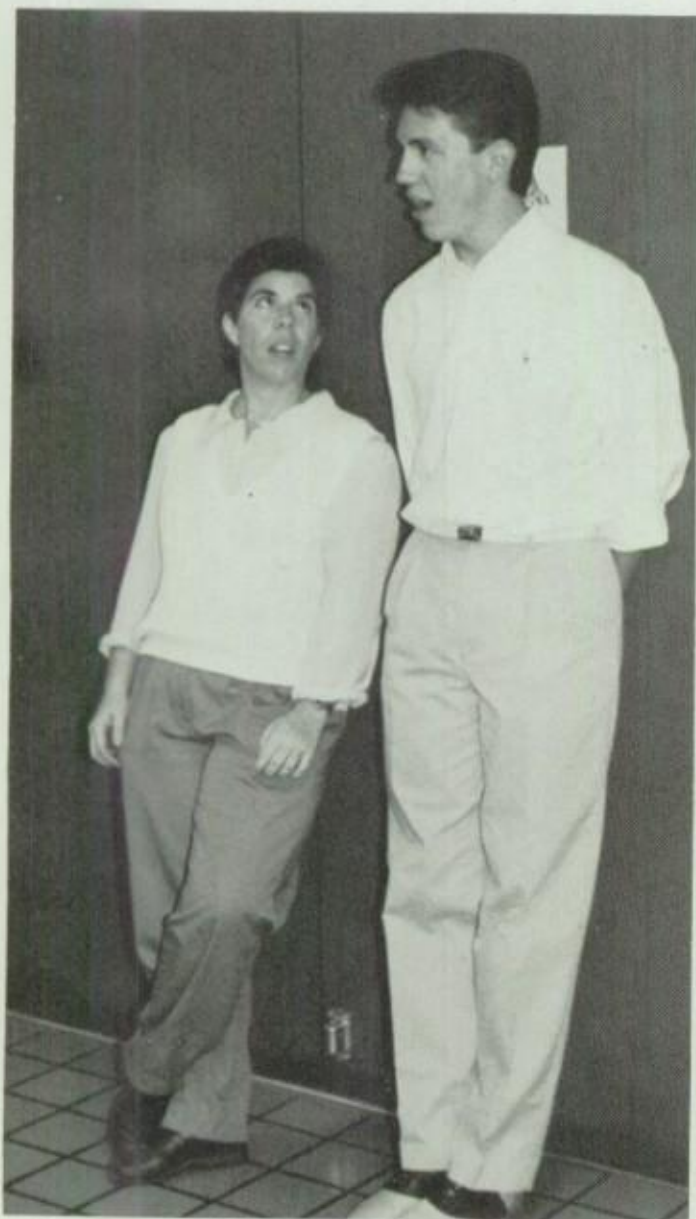

1. Cathy Nedderman and Andrea Heaven are thrilled with their work at Loard's.
2. Rick Lyons shows us that he can do the job well at Kmart.
3. Cathy gets along well with her manager at work which makes working there more pleasant.

Dear Romela -
 I'm really glad that
 we met and have
 become friends this
 year. ~~When~~ I don't really
 know you that well,
 but I do know that
 you're really sweet.
 I hope we can be better
 friends in the future.

Love Always,

Hey Dude,

Four years in this place and boy has it been tough! The food stinks, the guards are mean, the other inmates are really wild and are always getting me into trouble and they make us work our fingers to the bone. Can't wait for my parole hearing in June, when I'll finally be released into the real world.

The experience has forced me to look at myself and think about my future. I can't say it's been all that bad. I've had some good times and there are others that I'd rather forget. All in all, I've learned a lot about myself and life in general and I know it will help me once I reach the outside.

See you in Hawaii—

 Hi! Isn't this weird? Last year we had
 the same class but we didn't go to the
 same school. Now we go to the same
 school, but we have no classes together.

Anyway I am
 glad that we became friends
 at all, you and Teri were the only

VARSITY SONG

"Try outs come and try outs go . . . the hard work, excitement, and anticipation of being on the squad next year! You make it not really knowing what waits ahead. You are just so excited and relieved that the pressure is off, but all the pressure has just begun! As for the squad of 86-87, we all enjoyed supporting our school spirit, and representing our school at major competitions. It is not dancing around in skirts and screaming from the side of the football field or basketball court. Song leading and being part of the rally squad is friendship, support, pride, dedication, teamwork, practice, and love for our school."

Written by,
Lynette Duran and
Mia DiGiulio

1. Grainne Sweetman, Karen Rich, Wendi Poletti, Lori Yamaguchi, Mia DiGiulio, Trish Boyle, Lynette Duran, and Michelle Assum.

The 1986-87 Moreau Varsity Cheerleading squad consists of eleven girls. Together they promote school spirit by attending various sporting events, decorating lockers for plays, making team posters and giving flowers to the athletes on special game days.

The rally squads spend all summer practicing and preparing for the upcoming year. During the summer they attend a spirit camp where they learn various routines, cheers, and chants for the season ahead. When the school year began, the practice never ceased. Aside from supporting the other athletes, the girls spent many months preparing for the largest competition in the Bay Area, the Omega Kick Off Rally. This gives the Moreau cheerleaders a chance to show their athletic ability and receive support from the entire student body. Placing in every category this year the Moreau rally squad members were proud to say that all their time dedication and hard work paid off. (written by Theresa Young.)

VARSITY CHEER

J.V. CHEER

This year's J.V. Squad are mostly 10 years fresh cheerleaders with three new additions, Diana Balbuena, Andrea Gray and Karolyn Schott. The cheerleaders practice twice a week and have many as three games in one week. The squad seems very enthusiastic and spirited even with the loss of Kristy Troiano. Kristy injured her knee during a half time cheer and was unable to continue cheering with the squad. But Kristy continues to show her unending spirit and support for her friends by going to all the games and cheering from the bleachers. Her commitment is an inspiration to who know her, and she is a fine example of what the spirit of the J.V. cheerleading squad is all about.

Karolyn Schott, Xochit Benedict, Sophia Tavares, Diana Balbuena, Zeny Agullana, Kristy Troiano, Melissa Granados, and Andrea Gray.

This year Moreau received nine very spirited cheerleaders to support our frosh sporting events. These girls have really earned their spots. After the long process of try-outs and elimination, they then experience the rush of standing in front of a large crowd trying to get them fired-up. The girls learned how to encourage participation out of the spectators which is hard work, but they did a great job! Moreau is looking forward to a great J.V. squad.

Jennifer Mathiesen, Debbie K Lockheart, Maggie Alvarez, Kelly Elam, Mary Caeton, Michelle Baldoza, Kristine Tuazon, Marygrace Gavino, and Ann Granados.

Defense is the word to describe the Mariner football team this year. On a total yardage scale, the defense was ranked 7th in the south counties. Led by linebackers Dave Liebowitz, Tim Slone and Tim Downs, and nose-guard Jim Berio, we were able to shut down most running offenses. This forced teams to pass into our excellent secondary which featured Steve Libby, Brock O'Harran, Dan Slone, and Hayme Lake.

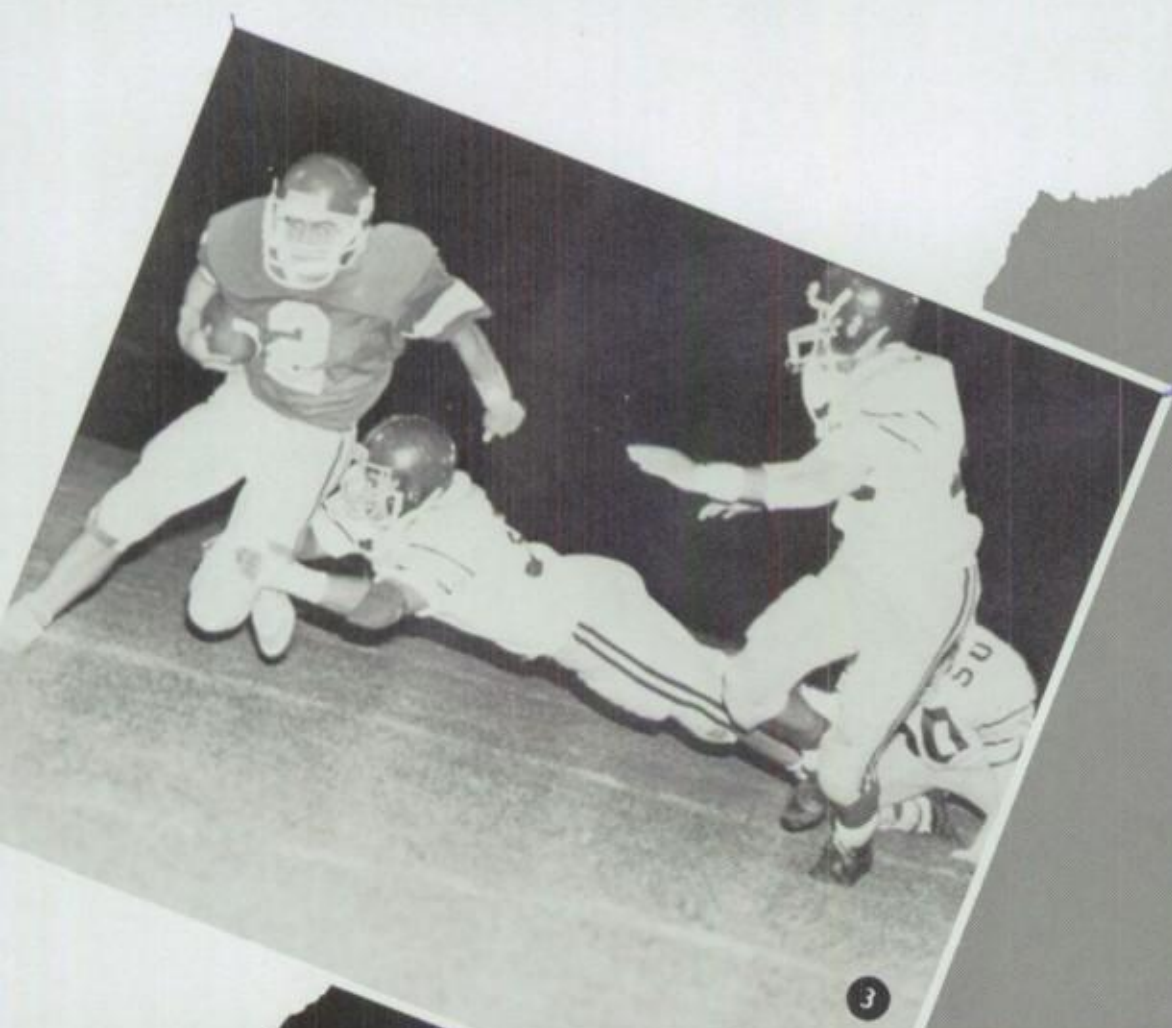

On offense, Moreau was led by the running of Jeff Chimienti (174 carries, 786 yds) and Steve Libby (47 carries, 318 yds). The passing attack was led by QB's Scott Jacques and Bob Robello. Paul Zendejas, Tim Slone, and Steve Libby were on the receiving end of most of the passes. The team had a young offensive line that was anchored by 2 year starter Ken "Duke" Pepper.

1. Jeff Chimienti drags a JFK defender for a first down.
2. Joe Bondad, Jim Berio, and Joaquin Barreto prepare to shut down another JFK drive.

J.V. FOOTBALL FACES THE CHALLENGE

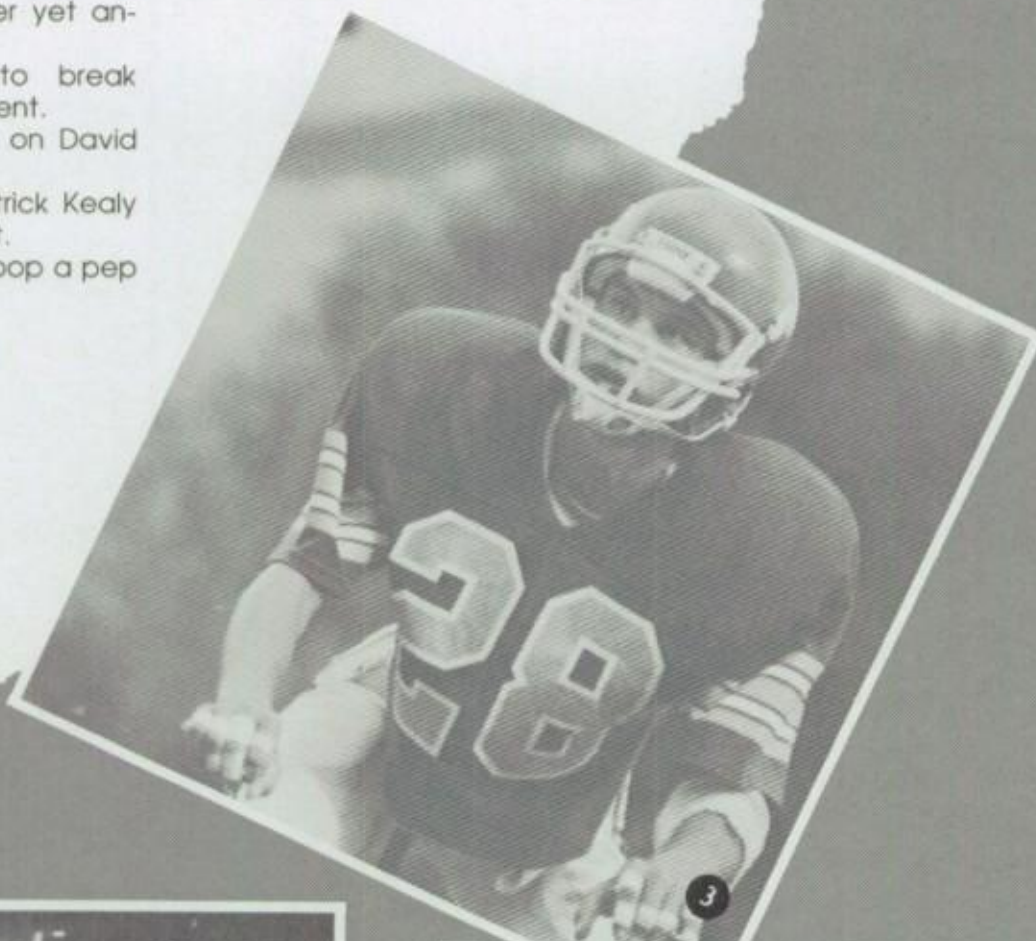

After last year's 9-1 season, great expectations were placed upon the junior varsity football team. It was a rebuilding year due to the loss of a tremendous offensive line. Brand new offensive and defensive lines needed to be formed and a couple of unknown running backs were given a chance to emerge. The team began with an undefeated 3-0 pre-season, and met some challenges due to injuries and the loss of David Spencer when league began.

According to Coach Sheets, "It's been an enjoyable year with a great bunch of guys to work with and an energetic staff that likes to have fun!!"

Special thanks for the dedication of assistant coaches Willie Lee, Jon Mosher, and Mike DiGuilio. Also for the great job done by the stats: Stacey Wiley (off), Kathleen Cole (off), Jeni Ham (def), and Michelle McDonald (def).

1. Marcellus Davis exuberant after yet another Mariner touchdown.
2. Joey Schwenger struggles to break through the hold of the opponent.

MOREAU'S FUTURE

Starting their first year in high school football, the freshman football team made tremendous advances as a whole. Most of the forty-six players are coming from zero experience to organized football. All the players have shown great initiative in improving their skills. Excellent leadership has come from James Fuerstein (QB), Rick Maya (WR), Ryan Reidy (TE), Andy Retodo (WR), Ralph Knecht (RB), Michael Busch (OL), and John Graver (OL).

Coach Chet Dickson feels that "despite the record, all the players have a lot to be proud of. Their effort and enthusiasm sets them apart from the crowd."

Along with the guidance from assistant coaches Bob Kossick, Joe DeVane, and Craig Rowe, the team did a tremendous amount of work over the season. They have all made significant contributions to the team.

1. A Mariner going for another touchdown.
2. James Fuerstein and the offensive line prepare to attack the Washington Huskies.
3. Andy Retodo awaits snap count.
4. John Graver concentrates on the ball as he prepares to hike.

This year Moreau's Frosh-Soph Cross Country team was led by the outstanding performances turned in by Cory Noonan and Mike Homa. In their first season ever in the Mission Valley Athletic League, they ran themselves into a first place tie with the Washington Huskies. Coach Wilder says, "This team is the future of Moreau's Cross Country Program. We hope that their improvements will continue and they will become the stars of Moreau's Cross Country team in the years to come."

One of the first teams in the Bay Area, The Varsity Cross Country team was led by captains Jason Debley and Shawn Noonan. Juniors Eric Bellamy and Brian Rivers were also excellent runners who contributed greatly to the team's overall success. This season the Varsity won the M.V.A.L. title, took 4th place in the NCS 3-A meet, 3rd place in the NCS Meet of Champions, and qualified for Moreau finals for a NCS record tying third consecutive season.

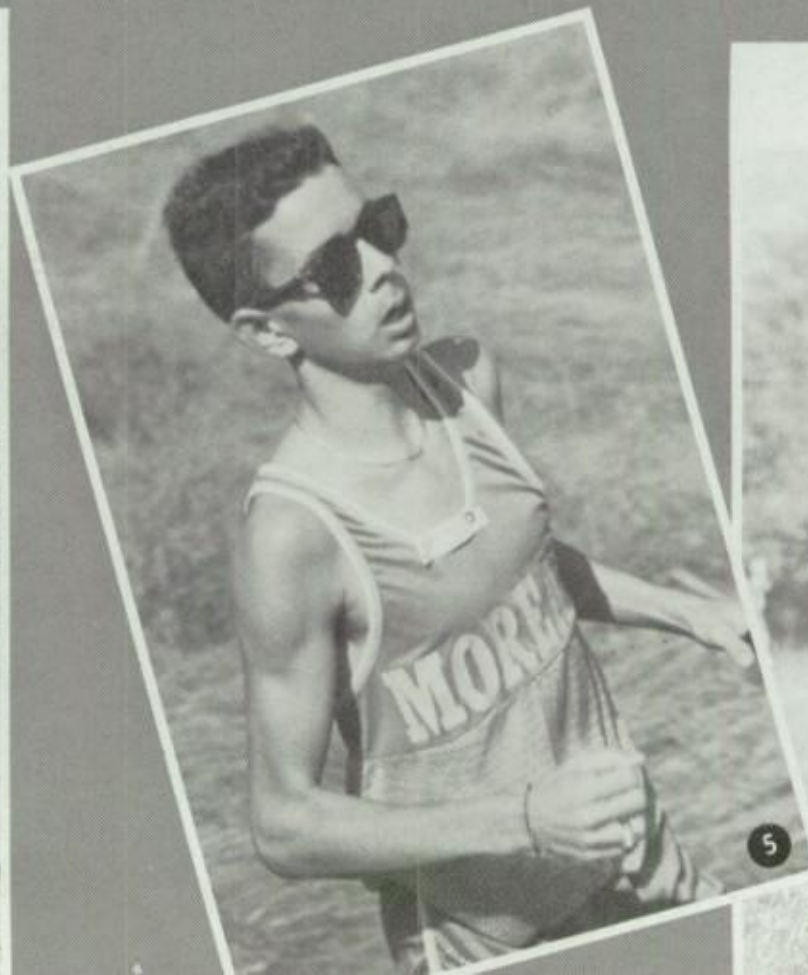

The team is very grateful to be coached by two outstanding men: Mr. Phil Wilder and Mr. Michael Ferguson.

1. Coach Wilder and Coach Ferguson.
2. Shawn Noonan blows past his opponent on way to another 1st place finish.
3. Jason Debley strides gracefully towards the finish line.
4. Craig Stazkow thinks of the nice cold one waiting for him at the end of the race.

1. Eric Bellamy quickly puts distance between himself and a Mission runner. 2. John Bolich leaves a Bishop O'Dowd runner in the dust. 3. Willie Staszko appears to have hit "THE WALL". 4. Moreau's Ben Brauer on his way to victory. 5. Tim Avila tries his best to look "cool". 6. Cory Noonan grimaces in pain as he pushes himself to the finish line.

CROSS COUNTRY

2ND IN MVAL!! 8TH IN NCS!!

This year's Varsity Cross Country team was very young with only two seniors on the squad, captains Kelly Homa and Erika Schuh.

Turning in strong performances meet after meet were Homa, Schuh, Carrie O'Connor, Beth Gier and Kristina Douglas. A very talented, but inexperienced team, the girls nevertheless captured 2nd place in the MVAL.

With many girls running for the first time in the North Coast Section 3-A, the girls finished in 8th place, a remarkable feat for such a young team.

These girls are tremendously thankful to coaches Phil Wilder and Michael Ferguson for their countless hours spent at practices and their well-timed words of encouragement in a very demanding sport.

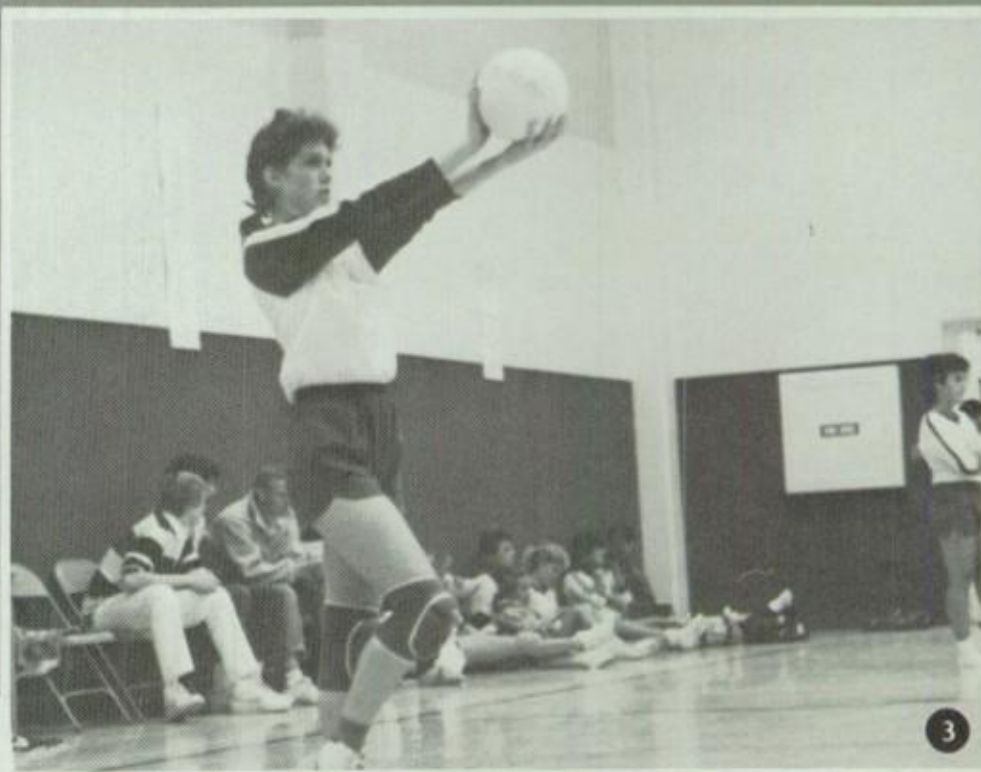

"One more mile and it's Gatorade Time!" thinks Beth Gier. Kelly Homa wonders, "Why am I doing this?" While running down Garin Hill Kristina Douglas questions the intelligence of "ACE" photographer Bob Thomas. Ann Martin lengthens her lead.

This year the Varsity volleyball team established themselves as an admirable opponent defeating number one ranked Washington. The team placed third overall in the new MVAL league . . . pretty good for the new kids on the block! Two of the team members also were named all-league 1st team: Nanci Quinones, Lisa Alves, and Michelle Schwenger; 2nd team. When asked about the year, Nanci said, "Beating Washington was the ultimate!!!"

1. Marjorie Szto bumps the ball to set up a point.
2. Monica Ulrich sets up to serve.
3. Julie Barr: a devastating blow!
4. Nanci Quinones just rips a smashing serve.

Guided by coach Christine Krisman and asst. coach Mrs. Hyde, the J.V. Volleyball team burst out with an exceptional season. The new league was very welcoming, but at the same time gave them tough competition without any real easy games. Each individual set goals to improve in specific areas. And every player accomplished something — gained skill, knowledge . . . the ability to work as a team. In the words of Mrs. Krisman, "This year's J.V. team learned to win gracefully, lose gracefully, and to never give up." The team goal was to win every match and play to the best of their ability, and they definitely did that. Next year's season should prove to be just as extraordinary.

FIRST IN FINALS

As the new "kids on the block" in the Mission Valley Athletic League (MVAL), the Girl's Tennis Team showed a lot of potential. In pre-season, the girls took a trip to Carmel to play two schools: Robert Louis Stevenson and Santa Catalina High School. Beating both of these schools was only the beginning. The girls posted an impressive 12-2 league record giving them a second place standing with a 16-2 overall record. In the final league tournament, the

tennis team captured first place and the team trophy. This victory was an excellent example of the true talent of the girls, who played up to their potential. Among the many outstanding memories will be the close friendships made and the overwhelming team spirit that developed. Much credit and thanks goes to Coach Dan Leon for a fun and successful season.

MOREAU'S ON TOP

Mariners sit alone atop the MVAL standings with a 7-1 record as of round one. This year's Varsity Basketball team is led by team captains: Tim Slone and Robbie Brink. This year's team has the strength of five seniors, the power of five juniors, and the determination of two sophomores. According to Coach Dorado, "the team has worked hard in practice, and the work has carried over into the games!" All the players make sacrifices to be the best possible team. The new league is creating a lot of new rivalries, especially with Logan and Washington. The team has played well together. The support from the Moreau Community has been tremendous. Because of the huge crowds at Moreau, it makes the Moreau gym one of the toughest courts to play on!

1. Huskie defenders can't stop Dan Slone.
2. Vince Herrera overcomes a Washington defender to complete an awesome lay-up.

BASKETBALL

MVAL CHAMPS

Headed by coach Bill Treseler and assistant coach Tom Alcott, the J.V. basketball team has progressed well. The players have worked hard with the eventual goal of being MVAL champions. The strongest asset of the team has been its depth. With such outstanding players as Ken Johnson and Joe Wuelfing included, it was a team of 14 good athletes who worked hard and contributed to the success of the team. As with the rest of the basketball program, working hard, executing, and playing together were three ideas for the J.V. team to concentrate on, which they most obviously did.

In the words of coach Treseler, "The team's determination, spirit, and pride have been outstanding. All 14 of them work their tails off and really support each other. I look forward to seeing them moving up to the Varsity level next year. It's going to be exciting!"

BASKETBALL

This year's Freshman Basketball team looked like it would give a lot of teams competition in the Mission Valley Athletic League. The team has been guided by Coach Bill Pacheco Sr. and Coach Will Richburg who have shown them how to win. Everybody improving and the fact that all members of the team became oriented with Coach Dorado's philosophy of basketball were the two main goals which wanted to be achieved. Bill Pacheco Jr. (CAPT), Engle Martin (CO-CAPT), and Brian Quinjano (CO-CAPT) are three of the key players on this years squad. The team has progressed tremendously on defense switching from a grammar school zone to a high school man to man. The coaches have been very pleased this season because of the fact that everybody on the team always goes all out.

BASKETBALL

The 1986 Lady Mariners are a very experienced team, which is led by such senior standouts as Rachelle Jones, Kim Cardoza, Chris Roberts, Michelle Tom, and Laurie Hollingworth. A very deep and well balanced team, several younger players have also performed well for Head Coach Paul Phelps and Assistant Coach Mike Bannister, including Kacey Jones and Sonia Ulrich.

Third year Varsity player Chris Roberts spoke these words of her team; "We're not a team that has or relies on one player. In order to be successful we have to play as a team, with everyone giving 100%." This formula apparently is successful because the Lady Mariners are currently ranked 9th in the East Bay. Top row: Kristine Freitas, Alison McCarthy, Johanna Canaday, Anna Hess, Tammy Mayer, Ali Saundys, Juli Caruso Bottom row: Myla Chikhani, Staci Blake, Renee Rivera, Stela Ferreira, and Deanna Ochoa.

Coached by Sam McCracken this years team is off to a 17-4 start. Their last loss was in pre-season against powerful Bishop O'Dowd High School, and since then they have won 13 games in a row.

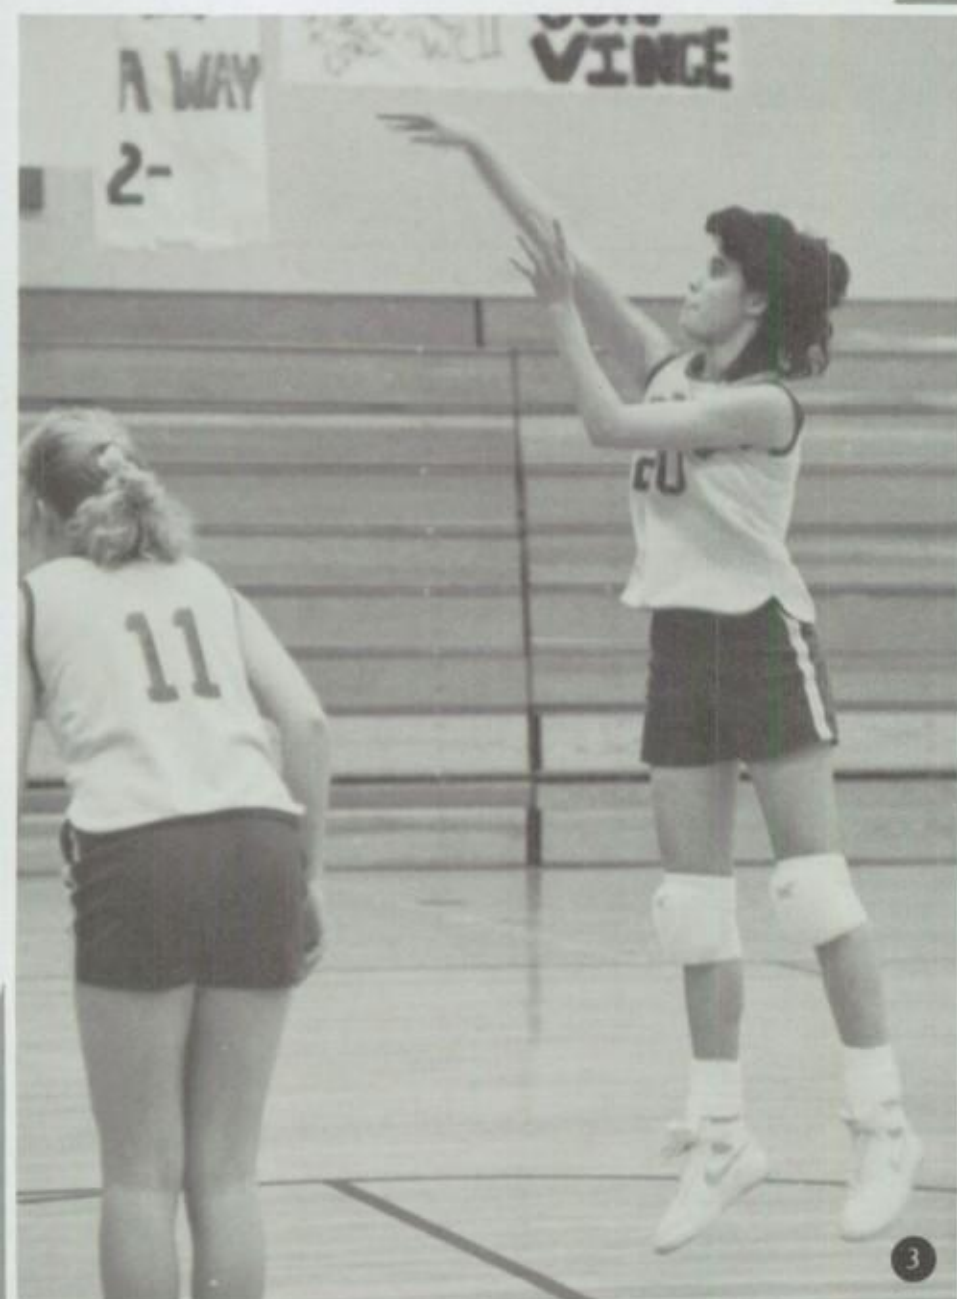

Offensively, the team is directed by rotating point guards, Kristine Freitas and Deanne Ochoa. Both of whom are very talented, but in different ways. Kristine is the teams second leading scorer, and Deanne is the squads leader in assists.

Johanna Canaday, a powerful post player who possesses a soft touch near the basket, leads the team in scoring, averaging around 10 pts. a game.

Coach McCracken employs what he calls, "A Scrappy, full court, man to man defense that creates many of our points." He also spoke proudly about the team's attitude, "What this team may lack in talent, they make up for in heart and desire." With their talent and desire it appears that this team has a bright future ahead of them.

1. Alison McCarthy pulls up and hits a 20 foot jumper.

1. Staci Blake muscles up for a tough 2 points as Anna Hess and Kris Freiyas watch on. 2. Powerful Johanna Canaday pulls up for an easy 2 points. 3. Juli Caruso shows great concentration as she shoots a free throw.

J.V. SOCCER

This year 1986-87 J.V. Soccer Team showed much potential and strength during the soccer season, by finishing with a 7-7-1 record for the year. The team of 16 was lead by captains, Jake Scott, Jason Blair (Sophomores) and Art Watson (Freshman). The team rose to many challenges this year such as having a new coach, Mr. Dick Sheridan, and also having to play on a team where none of the players had ever played together before. Considering what the team has had to deal with, they have shown much responsibility and maturity, as the season progressed. Coach Sheridan was pleased with the teams performances despite a few losses during the season, but he was happy to say, "We improved every game."

The 1986-87 Girls Soccer Team is a Rising Force in their new league, MVAL. Moreau girls soccer team has always had a long history of being a powerful team on the CAL, and the team feels they will also have the same effect in the MVAL. The team again will have an experienced squad from a lot of the members from the last year's squad returning. The extraordinary junior Kiera McCormick will again stand out as one of the best. With the help from 4 seniors Michelle Kensinger, Susie Sornberger, Anna Atayde and Sue Flores, juniors Gina Moreno and Beth Gier, sophomores Curshanda Cusseaux and Shanana Carney, also the rest of the team. Although the team has a smaller squad than last year, the team feels they have the balance to be a Rising Force in the MVAL.

RISING FORCE

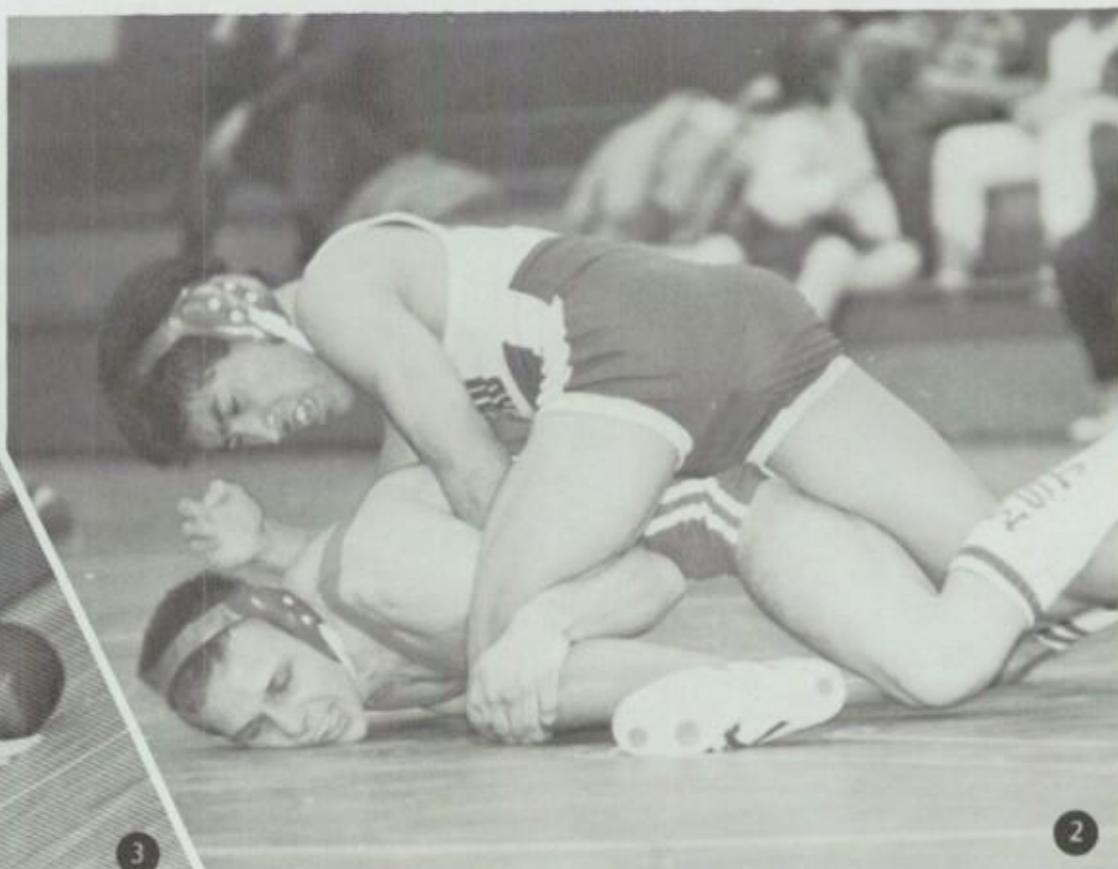

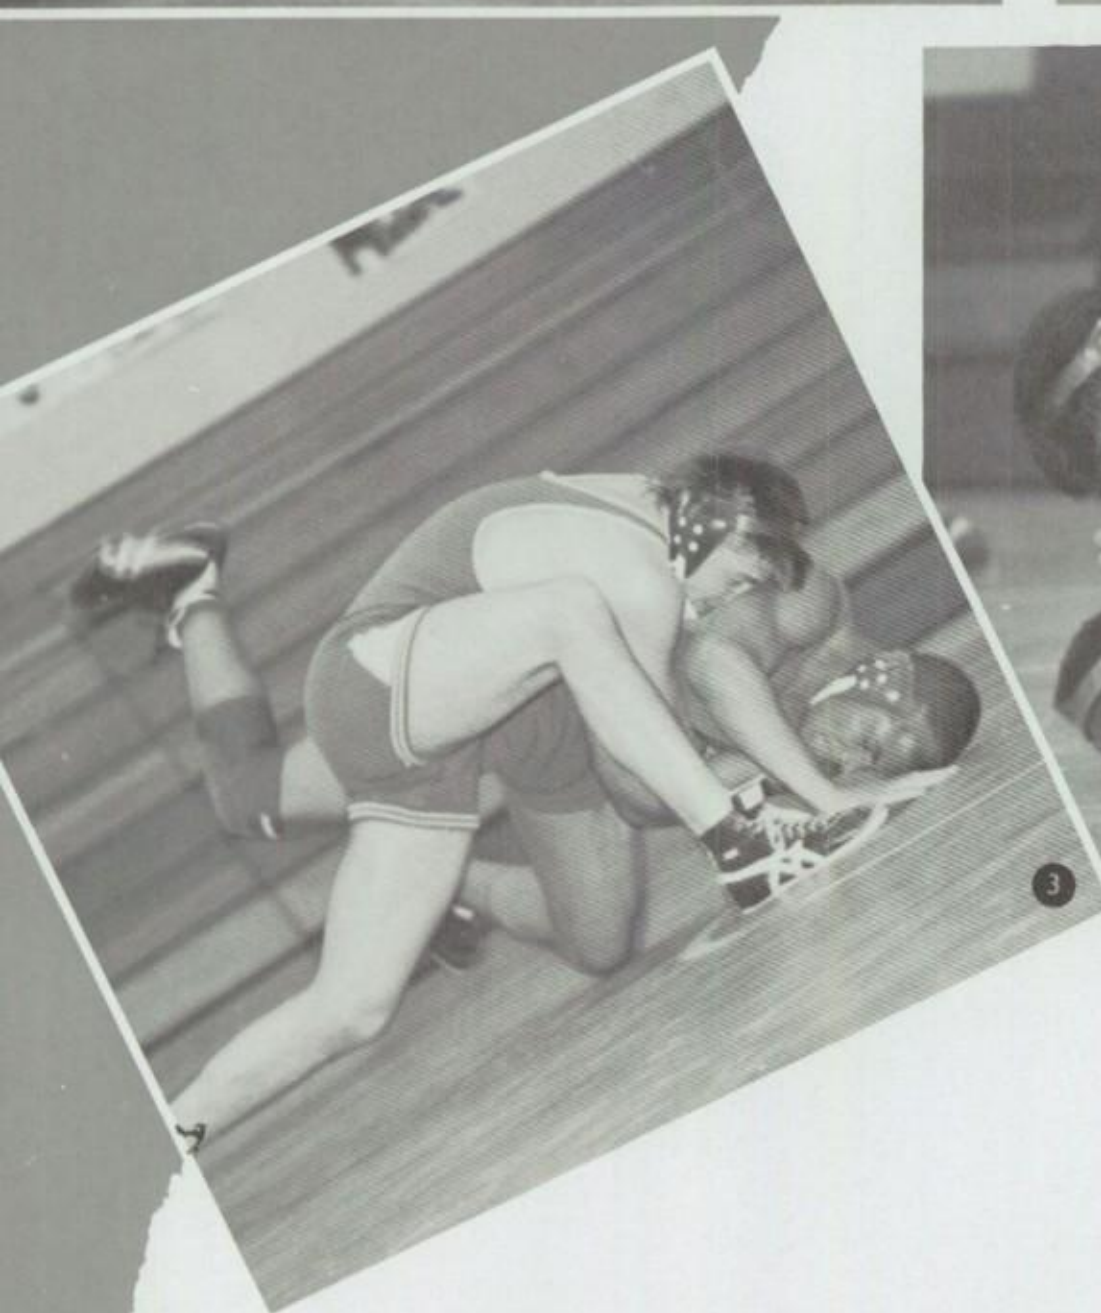

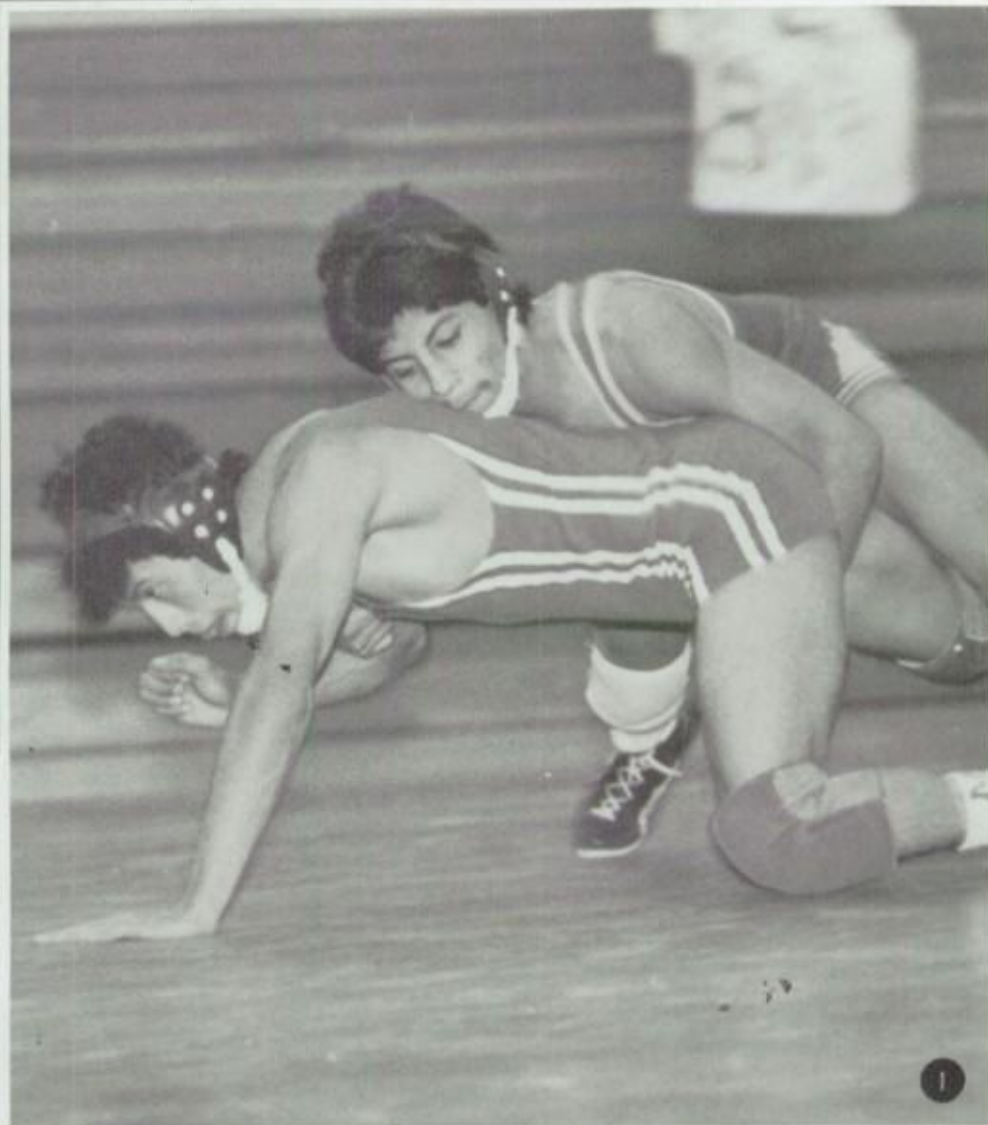

TAKE THEM TO THE MAT

The 1986-87 Varsity Wrestling Team had a very successful year in tournament competition. Out of tournaments containing up to sixteen teams, the varsity matmen managed to place in the top end of the bunch, every time. Moreau placings were: 1st at the John F. Kennedy Tournament, 7th at the Bellarmine Championships, 6th at the Las Lomas Invitational, 5th at the Lawrence Miller Memorial Invitational and 5th at the Gunnari Tournament. In head Coach Chet Dickson's third year at Moreau, he was joined by assistant coaches Manuel Navarro and Al Ward. Six seniors: Captain James Gonsalves, Captain Bobby Rios, Albert Retodo, Charlie Bettencourt, Mike Blasquez, and Duke Pfeffer, made their last year a very successful one. Junior captains Rocco Montalvo and Kurt Hudson along with Chris Wenzler also contributed to the teams success.

1. Top Row: Dan Pestana, Steve Ulrich, Kurt Hudson, Chris Wenzler, Mike Blasquez, Charlie Bettencourt. Middle Row: Sid "Squid" Lee, Rocco Montalvo, Brett Espicha, Tony Loudani, Albert "Butch" Retodo. Front Row: James "Gonso" Gonsalves, Bobby Rios.

Traditionally the JV Wrestling Team is just the long stepladder that a novice wrestlers climb on their way to the varsity ranks. Everyday the JV team practices with the varsity and even wrestles off before the varsity at each match. Each wrestler displayed heart and dedication throughout the season contributing to a very consistent year. A season highlight was when the team was awarded Consolation Champions at the Oceana Tournament containing about 30 teams. The team was led by upcoming wrestlers; Rino Jose, Mackie Mcloy, and David O.

VARSITY TRACK

1987 MOREAU TRACK TEAM

The 1987 Mariner Varsity Track Team promises to be one of the best in Moreau history, and contributing to that will be the return of many outstanding performers like; Jeff Chimenti, Paul Espejo, and Dan Osanna in the sprints, Shawn Noonan, Darryl Pretto, Jason Debly, Brian Rivers and Eric Bellamy in the distances. The hurdlers will be led by Sean Singewald, Vince Fontanilla, and Steve Martinez, and Rich Laecay and Pat Bowen in the long and triple jump. Another contribution to this year's team is the merger of last year's undefeated J.V. team and the Varsity veterans. The team is one of the biggest in years and promises to be the holder of MVAL and NCS titles. The team has learned how to "be as one", because no matter what the results of this season these guys will be true champions. This is partly due to the coaching staff, which is composed of some of the best, such as Head Coach Phil Wilder, Spring Coach Manny Meyers, Hurdle Coach Michelle Szto, Heavy Weight Coach Todd Anderson, Long and Triple Jump Coach Sandra Kiester, and Pole Vault Coach Mike Ferguson. The staff has goals just as well as the runners, and those are to help everyone become the best they can possibly be.

...A WINNING SEASON

1. A vaulter clears the bar. 2. Craig Staszko stretches before practice. 3. Rich Lacey fires out of the block. 4. Vince Fontanilla leaps over a hurdle.

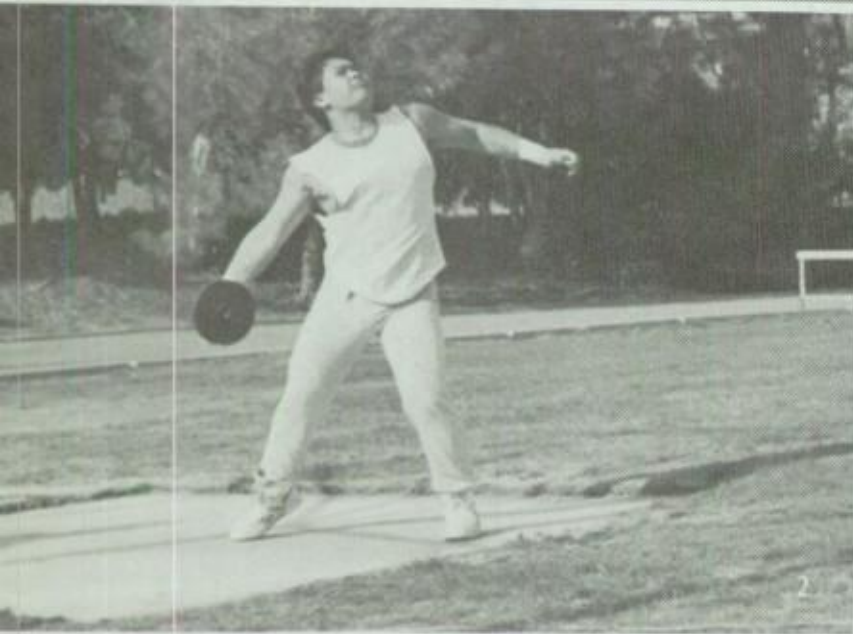

JUNIOR VARSITY TRACK

The 1987 Junior Varsity Track team had the difficult task of living up to the legacy of last years undefeated J.V. team. The J.V. team is energetic and enthusiastic and with this behind them their strength and speed makes them one of the toughest J.V. teams in the league. There aren't too many J.V. members from last year, but the new comers have worked hard and they have what it takes to be a very successful varsity team in the future. Sophomore Jim Jardine and Freshman Justin Chimienti are two of the top runners who are helping pace the Junior Varsity team to a fine season.

ANOTHER STRONG SEASON

1. Todd Bohanna clears the high jump bar with ease.
2. Watch as Nelsene Toriano hurtles the disc.
3. Albert Vita gives 110% during the relay.
4. Willie Staszko works his way through the pack for position.

There is no greater challenge than to challenge yourself. This statement wraps up the meaning of track and field. The team concentrated on one meet at a time due to the new league and young team members. The 1987 Varsity Girl's Track Team set and reached many team and individual goals.

Some newcomers are Alisa Wilma, Jodene Heinlien, Gina Pangelinan, Missy Castro, Julie Martin and Shannon Lewis.

Returning Varsity lettermen are Tamica Lee, Curshanda Cusseaux (sprints), The Szto Sisters (hurdles), and Christina Douglas and Carrie O'Connor (distance).

Many seniors will be missed next season: Kelly Homa (co-captain, distance), Annie Loggins (co-captain, thrower), Andy Botsford (jumps), and Laura Braun (sprints).

Thanks to the dedication of the coaches and the hardworking stats, meets ran very smoothly. The long days of practice were shown through everyone's performances at meets.

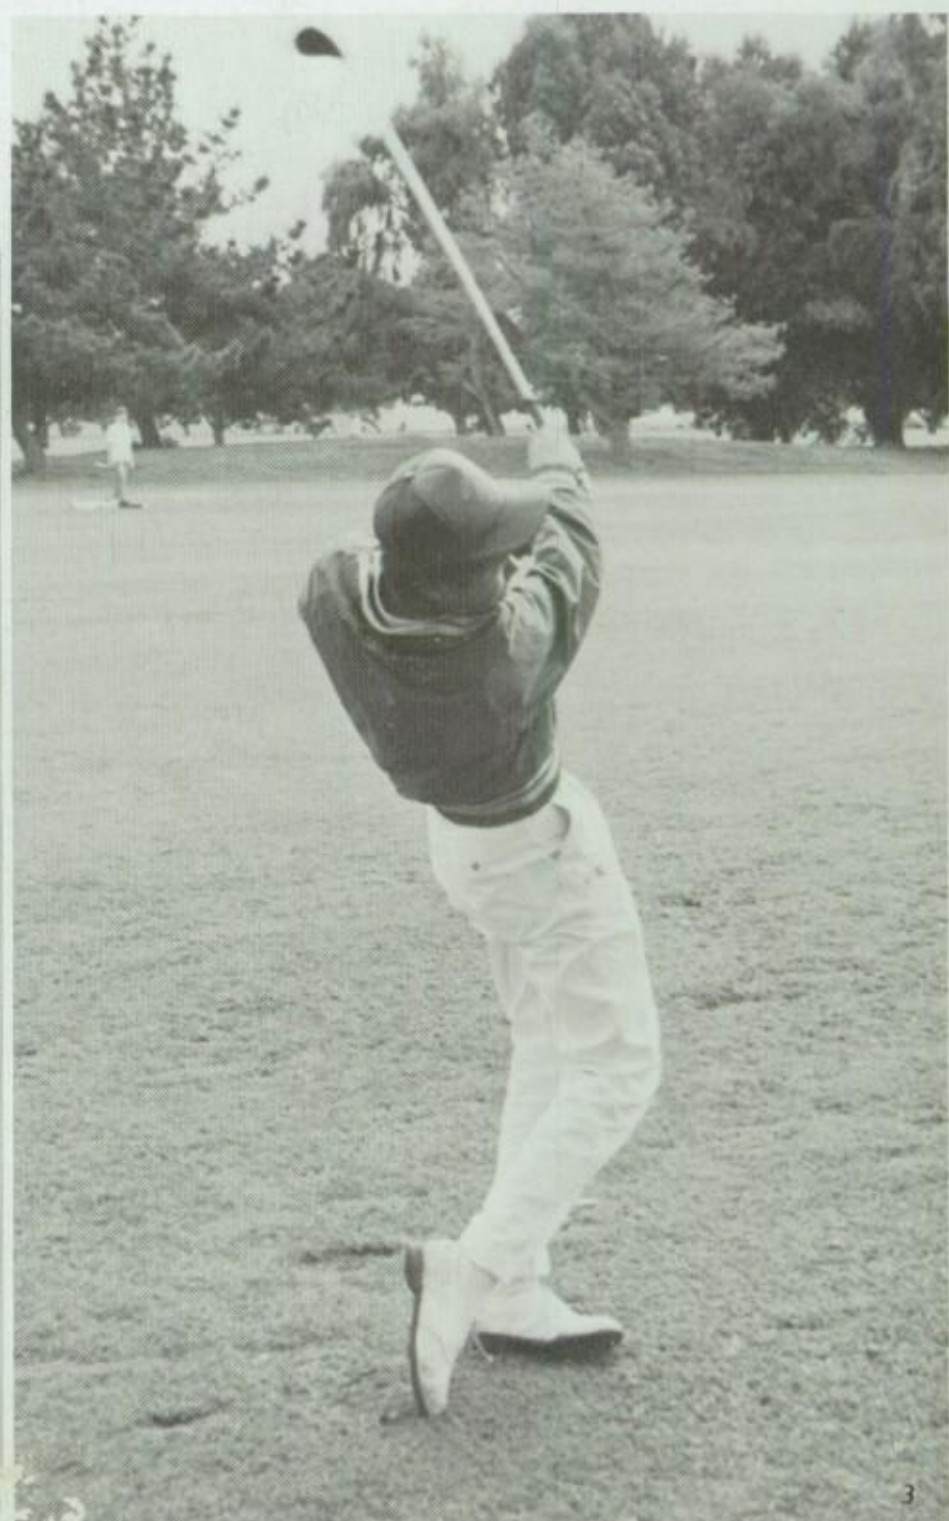

1. Chris Quon hands off the baton to Dawn Cisek.
2. Carrie O'Connor leads the pack in the two mile.
3. Gina Pangelinan practices her discus techniques.
4. Shelly Martin lifts herself over the high jump bar.

TEEING OFF

The 1986-87 Golf team looked like it had a very promising season ahead of it, but due to some unexpected setbacks got off to a slower start than anticipated. The coach, Mr. Don Morneau, said that while having fun they have improved significantly with every match. Improving with every pre-season match and peaking during MVAL playoffs and NCS were a couple of the goals that the team had at the beginning of the year. Paul Delucchi, who is a two time captain of the golf team, has led them through a very tough schedule. The teams record so far is 1-5-1. Coach Morneau highlighted the season by stating that the team has improved dramatically, even though the team lacks in experience they make up in effort and commitment.

 Dear Remela,
 doing?? Oh no!! So, how are you
 got my Geometry test back. Damn!
 I got a 78% - If I got an 'A' on the ^{test} final,
 then I wouldn't have had to take the final!
 Well, who cares?? It was a great
 year having you as a friend and
 someone I could rely on. Thanks
 for everything. Call me if you
 want to go out this summer
 Take Care,
 Alfie

VARSITY BOYS TENNIS

hey, What's up! Well, I
 guess I'll add some more. Remela,
 I just want to thank you for
 everything. You're the best.
 Let's go at this summer and
 let's party the night away.
 Well, I guess we stay friends and
 let's help each other next year

A NEW FRONTIER

The Varsity Tennis team has become quite popular as a fall sport here at Moreau. There are 6 returning players who will be the backbone of this years squad. This years team consists of 10 players: seniors- Dino Duque, Jasen Jun, Russel Wong, and Tim Avila; juniors- Quang Trinh, John Tien, and Kirk Yoshida; sophomore- Alfred Vita; freshmen- Jay Sira and Chris Proudfoot.

The 1987 team was coached by Mr. Chuck Gladding. This is his first year coaching at Moreau and he is expecting a successful season here. The team members feel having fun and learning more about the game is the reason they joined the team. The coach's objectives are to increase the player's knowledge of the game and develop a winning attitude. The MVAL is a new frontier for the team and with a winning attitude the team feels they will accomplish their individual and team goals.

1. Tim Avila shows his opponent his awesome forehand.
2. Kirk Yoshida stretches to keep the point alive.
3. Russell Wong plays the point in style.
4. Jasen Jun watches his forehand return go over the net.

11

The 1987 Varsity Baseball team is coached by Mr. Jerry Sheets and Mr. Jim Saunders. Sheets is beginning his second campaign as Head Coach, and should enjoy his most successful season if everything goes as planned.

The Mariners are a very deep team with a consistent mixture of Juniors and Seniors in the line-up. In the outfield the Mariners have a very powerful bunch of young men. In left field Pat Smith and Joe Silva, center field David Liebowitz, Chris Schusske and Robbie Brink, and in right field Bobby Robello and Pat Smith. The infield has many talented players as well. At third base are Mike Blazsquez, Greg Dubney, and Jason Gardner. Shortstop is Paul Zendejas. Second basemen are Mitch Freitas, and Andy Ziola. First base is played by Jim Ivaldi and Glen Dishman, and at last but not least, catcher Scott Jacques.

The most dominating position on the Mariners is definitely the pitching. Blessed with two hard throwing left handed starters, Jim Ivaldi and Glen Dishman should keep the Mariners in every game they pitch. Spot starters and multipurpose relief pitchers are Jeff Nelson, Scott Gier and Pete "Candy Man" Candelario who are very reliable arms who will fill the void if the starters falter.

Coach Jerry Sheets had this to say about his team, "In regard to our MVAL debut I have tremendous expectations, but after watching the team grow I feel very confident that the MVAL will soon know who the Mariners are."

PLAY BALL

1987 has been a great year for the Moreau JV baseball team. With expert coaching by Mr. Bob Kossick, and Mr. Bill Tressler, they have moved their record up to 6-1. Pitching for the team this year are: John Lavine, John Michaels, John Patterson and Derek Walker. Among the many great field hitters are Mark Palfalvi, Brian Garcia, Dave Ducazau. The team as a whole has been putting forth great effort to achieve a winning record which will leave an impression and show some promising choices for next year's Varsity team.

When asked to comment on the team's achievements, Coach Kossick responded by saying, "We have the nucleus to be a very competitive team, and if the team continues to improve and put forth it's best effort, then a league championship may be within our reach."

The 1987 JV Baseball team: (top) Derek Walker, Tommy Smith, Marcellus Davis, Bill Rodriguez, Mark Palfalvi, David Spencer, John Michaels, Alan Limongeo, Kenny Leonesio, Coach Bob Kossick, (bottom) Steve Gonsalves, Dave Ducazau, Joe Schwanger, Dan Chivers, Julian Zendejas, Rolando Baleva, Brian Garcia, John Patterson, John Lavine.

BUSTIN' LOOSE

SOFTBALL

This year's Varsity Softball team is playing a whole new ball game. The team has a new coaching staff, a new league, and new fields. This year's coaches are Mr. Hank Lorta and Mike Bannister.

This team is led by the strong leadership of this year's Captains Michelle Schwenger and Dagny Haman. The team is made up of 12 players, 8 seniors: Stacey Arhontes, Joni Hallett, Danette Louis, Dagny Haman, Michelle Schwenger, Audrey Milano, Mary Miller, and Mary Bredderman; 2 juniors: Cathy Nedderman and DeAnn Louis; 2 sophomores: Jenny Norton and Cindy Marquez.

The team is currently undefeated in pre-season league with a 6-0 record. According to Mr. Lorta, "the team has the potential, ability, and attitude to go all the way!" The team works very well together- they support each other 100%. They play a very defensive game, but they have a great offensive game too. The girls work hard, but they are enjoying it! They are going to have a great season.

THE START OF SOMETHING BIG

8. Coach Bannister and Cathy Nedderman seem to have spotted a bug on the baseline.
9. Mary Miller flies into second base.

A WHOLE NEW BALL GAME

This year's J.V. Softball team is going to experience some new changes. They have two new coaches Judy Halper and T.J. Anderson, a new league, and a new home field.

There are 7 returning players so the team should be pretty strong. The 1986-1987 J.V. Softball players are: Kathy Baker, Juli Caruso, April Dambrosio, Dani Lorta, Keeia McDonald, Cassie Rebbello, Paige Sammons, Julie Thiede, Traci Bautista, Kris Fietas, Jennifer Mathiesen, Rachel Newman, Wendy Rather, and Kwynn Uyehara.

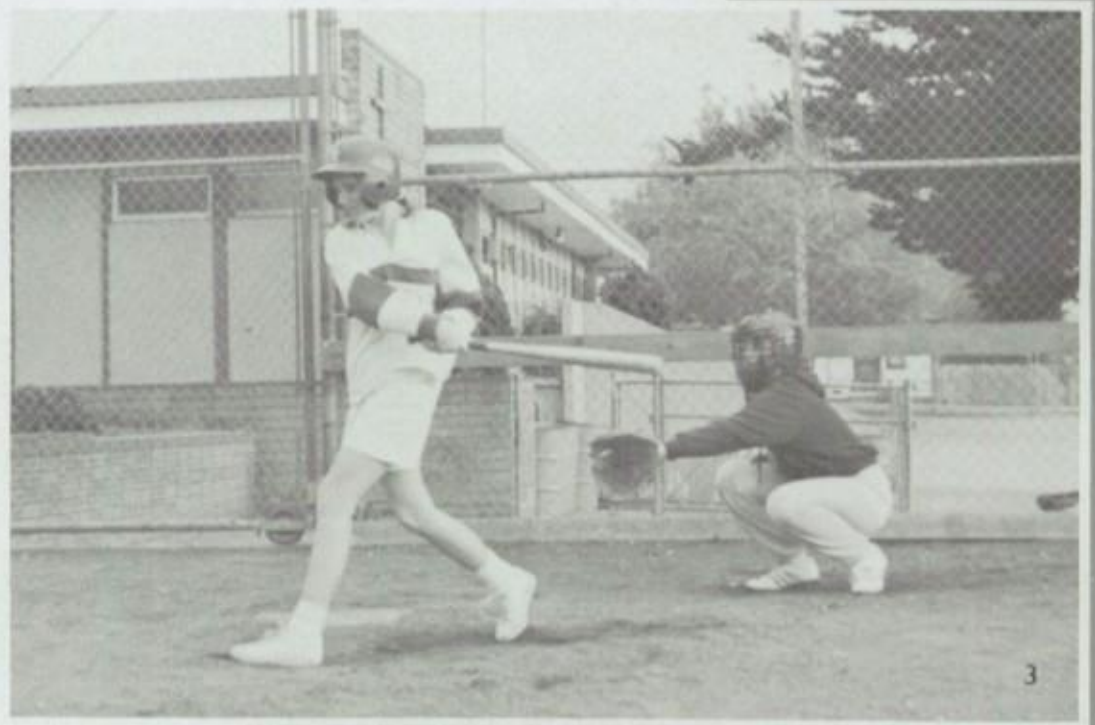

The team has great spirit and they are excited about the new season. The girls practice hard and it shows in the games. The team expects to do well in the new league. The girls are learning to play well together and they are supporting each other.

1. Coaches Judy Halper and T.J. Anderson discuss pre-game strategy. 2. 1987 J.V. Softball Team. 3. Kathy Baker hits a homerun. 4. Traci Bautista fires home a strike. 5. Juli Caruso, Kathy Baker, and April Dambrosio are good friends as well as teammates.

SOFTBALL

"This is one of the finest groups of young men and women I've had the pleasure to coach," said Coach Serrao when commenting on the boys and girls varsity swimming teams.

This year's group of talented pool paddler's goal is to represent the Moreau Swimming program well in their first year in the MVAL. Breaking it down, both boys and girls expect to place in the top 3 in the league.

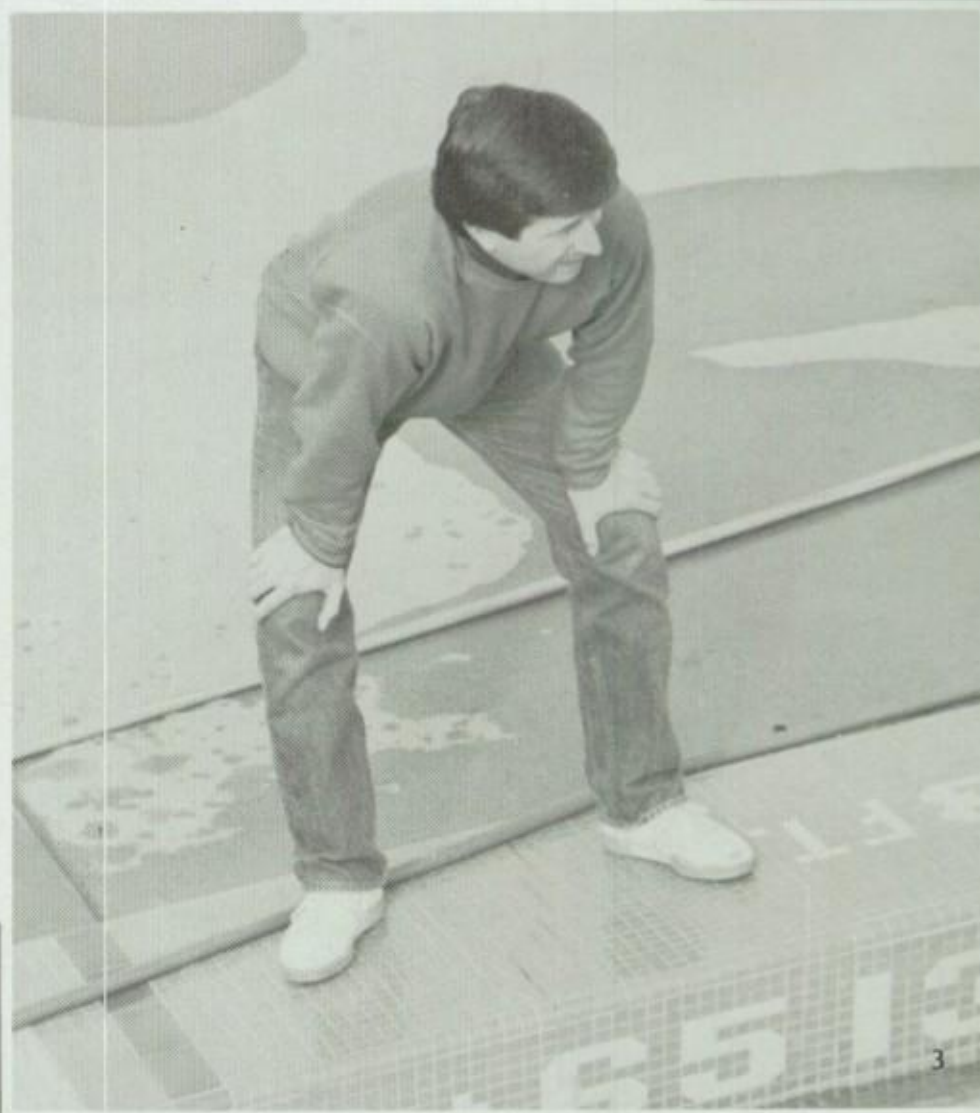

Individually, the Mariners plan to be represented well in league and the North Coast Championships. Top swimmers include: Tom Paynter, Mike McKean, Brock McDaniel, Kim Smith, and Tanya Gill.

Some highlights of the season are travelling to Reno, Nevada to compete in relays, the dual meet against Mission, and the North Coast Championships.

J.V. SWIMMING

This year's J.V. swimming team happens to be the largest squad yet. Coached by Moreau graduate Kathy Radecke, the young group hopes to compete well in the new league. Varsity coach Rich Serrao comments, "They are a very talented group, and we should see some real Varsity potential for next year."

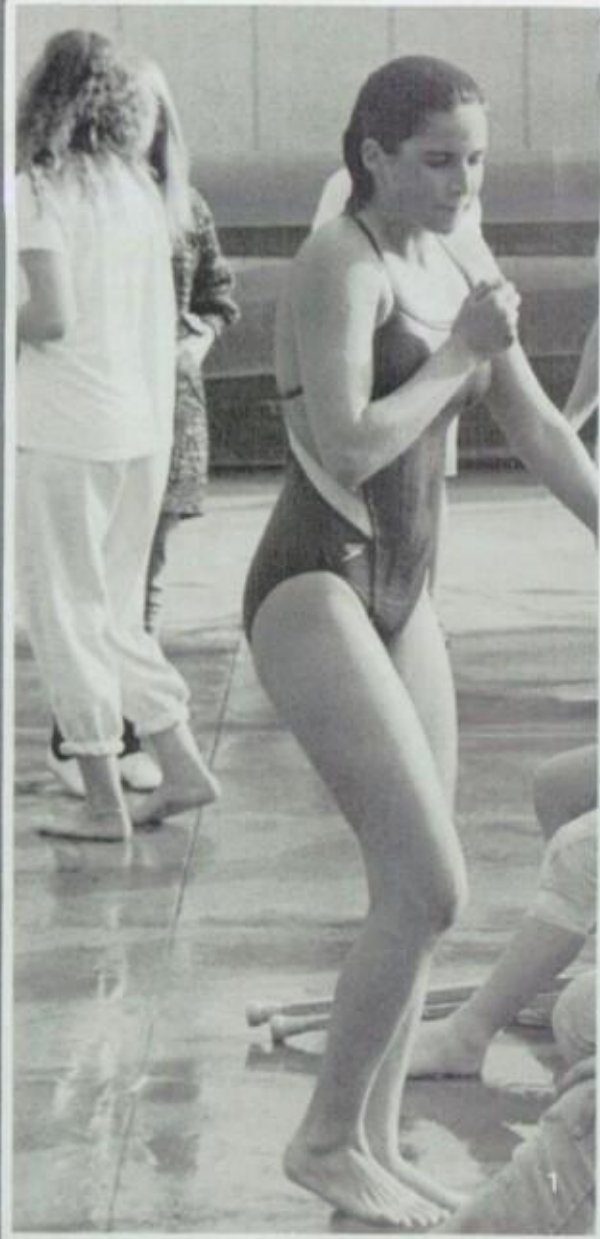

Some of the swimmers claim they swim because of the fun, the competition, and generally because they've enjoyed it throughout their lives. "I swim because it's the sport with the best atmosphere for making friends, and we have an awesome team!", says Matt Fratus.

With a super attitude and loads of talent, the team should give other M.V.A.L. schools a run for their mon-

Dear Pamela
 you have been the sweetest (and kindest)
 person that I know! I am so glad I
 had you in at least one class - maybe will
 have more together next year! I really hope
 so! I truly am extremely glad this year
 has ended. Though, it's been a little
 momentful for me, I hope you've
 enjoyed it though! Next year will be
 great! Cause we're the best class
 around, and of course - well make
 if home you have a fun time summer
 and come back from
 it ready to fool around
 and have some fun!
 Love Always!

School Day Memories

As we reach out our hand
 The diploma we grasp
 While we think of the memories
 Of years in the past
 Tears fill our eyes
 Because it's all gone
 We're starting a new life
 We have to move on
 We hope friends will keep in touch
 As the years pass us by
 Although it hurts inside
 We'll try not to cry
 We think of kindergarten
 And our first day
 Now we've reached the end
 We are going away
 How do you say good-bye
 To friends who mean so much?
 Will there be time
 To sincerely keep in touch?
 You'll always have the memories
 Of your school years from day one
 Don't think of school as ending
 Think a new life has begun

Another year has ended and it has been a once in a life time
 experience. Putting this yearbook together has been an ex-
 perience too. We'd like to especially thank Annie Loggins, our
 editor, Beth Guesnon, our asst. editor, Bob Thomas, asst. editor
 and head photographer, and Ms. Pugliese, our moderator.
 Their dedication to our yearbook was tremendous! We hope
 all of you will enjoy and treasure this yearbook. May your
 future be filled with happiness and lasting memories.

Hey Romela, *bt/Th/my*

Well, it's been another year, and we've made it through. Can you believe that we're gonna be juniors? We have to do a lot of stuff this summer - together. Romela, I know I've had a lot of problems this year, and you've helped me through every single one. I know I haven't said it that much, but thank you? If you & I hadn't been friends, I never would have met John. Even though I may not act like it, I will never regret it. If you hadn't been there the night we broke up, I don't know what I would have done. You woke up in the night, just to talk it over with me. To tell you the truth, I honestly don't know another one of my friends who would have done that for me. On top of that, you put up w/ a month of my moping around, while you had your own problems. You also helped me work through almost every other problem in my life. You've been there for me all year. Thank you. Sometimes I feel like I haven't done enough - like maybe I haven't played as much attention as I could have. If I didn't, I'm sorry.?

You are the best friend I've ever had. You're always cared, you've always given me your honest opinion, and when I was in a b-tchy mood, you put up with me. What more could I ask for in a friend? Not much? Now, I suppose it's on to Carlos... Maybe that's not the right thing to do... I don't know. If you ever have a problem, or you just want to talk, give me a call. If you ever need a shoulder to cry on, just come to me... mine's already wet...!

I gotta bail! Love you!

Good luck w/ Jeff!

Let best be jammin'

Friends 4-ever & always!

Dearest Ronda,
they cutie & have
ya been? Well, another
year has finally passed
& I can't wait 'til
our big Senior Graduation.
But, in the meanwhile,
K.I.T. & stay out of
trouble. Party Hard!
& don't forget about
me & Katrina in a d's.
'Cuz I'll never forget
you & Taylor Karie.
It's K.I.T. & always,

Dear Romela,

Well, this year has gone by so fast... but next year
we'll finally be juniors. Gosh! I don't believe how 2 years
went by so fast! But I sure can't say that they were
fun! You're a super sweet friend and I'm happy
that we stayed friends! Take care and have the very

Dear Romela

It's been great having you
as a soccer star. I've really
enjoyed talking to you on the
line after lunch, soccer and
every time. I'm really glad
to get to meet you this
